This letter will serve as Notification that the Dot Lake Native Corp. has authorized KJNP to utilize an area approximately 25' X 25' for the installation of a radio tower in order to relay KJNP programs to the Dot Lake area. This site will be located within 200' of the present RCA Alascom tower fence at knob ridge within Sec 33, T 22N, R7E, CRM., outside the R/W issued for road 11/14/1983.

Exact location of site to be established at a later date.

This agreement to remain in effect as long as KJNP continues to provide radio service for Dot Lake area.
