

WABI-DT2 ("EABI") CERTIFICATION OF COMPLIANCE
WITH CHILDREN'S TELEVISION COMMERCIAL LIMITS

April 1, 2017 – June 30, 2017

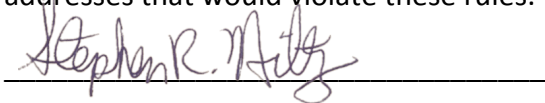

Addendum to attached memo from The CW Plus.

During the above period, WABI-DT2 ("EABI") aired network disseminated programs, originally produced and broadcast primarily for an audience of children 13-16 years of age, as listed in the attached memo.

The programming was not required to conform to the commercial time limits prescribed in the Communications Act, as amended, 47 U.S.C. §303a, and 47 C.F.R. §73.670(a)-(d) because the programming was all originally produced and broadcast primarily for an audience of children older than 12.

I hereby certify that WABI-DT2 aired the programming according to the sequence and schedule recommended by the network, with no revisions in format.

As a standard practice, CW Network and CW Plus children's programs are formatted to comply with the FCC's website display rules. This station did not add any website addresses to the children's programs nor did it air programming adjacent to children's programming that displayed website addresses that would violate these rules.
