Media Bureau

Grant Date: December 03, 2018

Facility Id: 198733

Call Sign: KLTO

This license expires 3:00 a.m.
local time, August 01, 2021.

License File Number: BLH-20181108AAS

This license covers permit no.: BMPH-20181102ABX

Subject to the provisions of the Communications Act of 1934, subsequent acts and treaties, and all regulations heretofore or hereafter made by this Commission, and further subject to the conditions set forth in this license, the licensee is hereby authorized to use and operate the radio transmitting apparatus herein described.

This license is issued on the licensee's representation that the statements contained in licensee's application are true and that the undertakings therein contained so far as they are consistent herewith, will be carried out in good faith. The licensee shall, during the term of this license, render such broadcasting service as will serve the public interest, convenience, or necessity to the full extent of the privileges herein conferred.

This license shall not vest in the licensee any right to operate the station nor any right in the use of the frequency designated in the license beyond the term hereof, nor in any other manner than authorized herein. Neither the license nor the right granted hereunder shall be assigned or otherwise transferred in violation of the Communications Act of 1934. This license is subject to the right of use or control by the Government of the United States conferred by Section 606 of the Communications Act of 1934.

Callsign: KLTO

License No.: BLH-20181108AAS

None Required

Special operating conditions or restrictions:

- 1 The permittee/licensee in coordination with other users of the site must reduce power or cease operation as necessary to protect persons having access to the site, tower or antenna from radiofrequency electromagnetic fields in excess of FCC guidelines.

Special operating conditions or restrictions:

- 2 ***** This is a Section 73.215 contour protection grant *****
***** as requested by this applicant *****

- 3 Grant of this license application is conditioned on the continuous
operation of the licensed facility for the twelve-month period
following grant. The failure of the facility to so operate will result
in the rescission of this grant, dismissal of the license application
and the forfeiture of the associated construction permit pursuant to 47
C.F.R. § 73.3598(e) unless the licensee rebuts the presumption that the
authorized facilities were temporarily constructed.
