Remember how Democrats said the 2016 election was filled with Russian meddling?

Until 5 minutes ago that was the top news story.

So you'd think the Democrats would want to do everything in their power to make the 2020 election as secure as humanly possible.

But Nancy Pelosi and the Democrats have other ideas — universal mail-in voting combined with legalized ballot harvesting. This is one of the worst ideas imaginable.

If enacted, voting crimes will likely skyrocket. Theft and forgery of ballots could become rampant.

And it could take weeks, if not months, to figure out who actually won in every single race happening in the country.

Thankfully, my friends over at FreedomWorks are fighting to make sure that doesn't happen.

And if you'd like to help them do it, please text BEN, that's my name "BEN", to 41490 and tell Congress to oppose universal mail-in-voting now.

Remember the 2000 presidential election, where the country had to endure recounts, lawsuits, and a Supreme Court case to determine the winner?

Pretty chaotic right?

Now imagine if that happened in a bunch of electoral races this year.

It'd be an absolute nightmare!

2020 has already been a chaotic enough year for the country so far, wouldn't you say?

The last thing we need right now is to have a bunch of races in November having no declared winner for months.

You can help save us from that chaotic nightmare by texting "BEN" to 41490 and telling Congress to oppose any universal mail-in-voting scheme today.
