According to May's jobs report, unemployment fell to thirteen-point three percent

And US retail sales soared to seventeen-point seven percent.

While this is great news, America's economy still has a long way to go before we fully recover from the economically devastating effects of the Coronavirus lockdowns.

But if Congress cut our payroll taxes, that would really jumpstart America's economic recovery.

Thankfully Freedomworks is pressuring Congress to make that happen.

And if you'd like to help them do it, please text BEN, that's my name, BEN to 41490 and sign FreedomWorks' payroll tax holiday petition now.

A payroll tax holiday has been recommended to President Trump by leading conservative economists like Steve Forbes, Ronald Reagan's economic advisor Dr. Art Laffer, and Steve Moore.

And the American people support the plan three to one.

But the problem is that Nancy Pelosi and the Democrats do not want it to happen.

They know the faster America's economy recovers, the less time they'll have to advance their radical Leftist agenda.

But if there's a groundswell of support for these common-sense solutions, Congress could be forced to do it.

That's why I'm asking you to text BEN to 41490 and help FreedomWorks pressure Congress to support a payroll tax holiday by signing their petition now.
