Bike Registration – On October 7, 2023, at 7:48 PM WZIS aired a live-read PSA about the bike registration program at ISU. The PSA mentions how the number of stolen bikes on campus has risen in the last few years. It urges students to register their bike with public safety so that they can be identified if it is lost, stolen, or impounded. It includes all the necessary information about the Office of Public Safety to register your bike or to report a stolen one. This PSA was read live on-air at least 16 times during the months of October, November, and December.

Public Safety – October 10, 2023, at 12:15 PM, WZIS aired a live-read PSA about public safety on campus. Many students at times feel threatened or unsafe on campus, especially at night. This PSA gives all the necessary information on how to contact public safety in they ever feel unsafe or to report any suspicious or illegal activity. The PSA provides the number to call and also a website that students can go to so they can learn more information. This PSA was read live on-air at least 16 times during the months of October, November, and December.

Career Success - On October 9, 2023, at 4:24 PM WZIS aired a live-read PSA for ISU's Math and Writing Center in the new location of Root Hall. ISU is dedicated to making sure students have all the help they need when it comes to math and writing. The PSA mentions how the math and writing center has free tutoring for ISU students in need in the math and writing field. The PSA included information about scheduling a session at Root Hall, the hours of operation, and the phone number to call. This PSA was read live on-air at least 16 times during the months of October, November, and December.

Student Resources – On October 24, 2023, at 6:20 PM, WZIS aired a live-read PSA for the ISU Career Center. The Career Center offers a multitude of opportunities for students to develop and review their professional documentation and gain opportunities within their respective fields. The Career Center PSA lists the general opportunities inside the building, the operation hours, and a clothing closet where students can pick up four free clothing items each month. This PSA was read live on-air at least 14 times during the months of October, November, and December.

Philanthropy - On October 23, 2023 at 11:23 AM, WZIS aired a live-read PSA for the Baptist Collegiate Ministry House's shoe drive. The program collects gently used shoes from Terre Haute residents and donates them to others in need of them. All shoes will be accepted you just have to make sure the shoes are tied and rubber-banded together before you donate them to the Baptist Collegiate Ministries, which is located at 800 N 6th Street in Terre Haute. This PSA was read live on-air at least 13 times during the months of October, November, and December.

Health and Wellness - On December 20, 2023 at 8:26 AM, WZIS aired a report from Side Effects Public Media titled "Sterilization." It's about how more people are resorting to permanent means of birth control post Dobbs. This includes a KFF survey of OB-GYNs and an informal survey she did of the big health systems in Ohio. She also

references a study from Cleveland that showed men, too, are considering permanent methods.

Health and Wellness - On December 22, 2023 at 1:30 PM, WZIS aired a report from Side Effects Public Media titled "Wars and Public Health." Hundreds of thousands of people have been killed in the Russia-Ukraine War and now thousands more are dead and millions face a humanitarian crisis as Israel's war in Gaza rages on. But war doesn't just spread death by conflict – it can also kill by allowing diseases to spread with consequences that can cross borders. Side Effects Public Media's Farah Yousry spoke with health reporter Stephen Langel about that.

Health and Wellness - On December 28, 2023 at 9:26 AM, WZIS aired a report from Side Effects Public Media titled "Veterinarian." Being a veterinarian and helping animals – large and small – can bring a lot of joy. But Side Effects Public Media's/ KBIA's Anna Spidel reports the job also comes with a host of stressors that affect veterinarians' mental health - and the field is starting to have more conversations about it.

WZIS Also ran 2,208 thirty-second pre-recorded PSA's during the months of October, November, and December.
