ISSUES/PROGRAMS LIST FOR January, February, March 2024

1. ISSUES IN EDUCATION BROADCAST SATURDAY AT 7:30am and 8:00pm

1/6/24 Broad Is The Way

What happens to people who die but don't go to heaven? Is hell a real place? If hell didn't exist, why did Jesus talk about it so much? Bill Wiese, a successful realtor and author of *Twenty Three Minutes in Hell*, describes his incredibly detailed vision of hell; the stench, the flames, the deafening screams of agony, and the terrifying demons! Bill says the Lord took Bill's spirit to hell and back to warn people who don't believe hell exists. If you could go to heaven because of your good deeds, then Jesus died for nothing! Jesus suffered excruciating pain and death to save people from hell. Where is hell? Can good people go there?

1/13/24 The Relevance of Noah's Ark

Is the Genesis Flood true history or a fable? Is there scientific evidence for the Flood? Dr Frank Sherman explains how the steep walls in the Grand Canyon show a rapid rush of water that could only be formed by the Flood. God gave people 120 years to repent. But only 8 people were saved out of the 4-7 billion people who were drowned because of sin. Tom Dooley, author of *The True Story of Noah's Ark*, describes the water canopy that fell to earth as rain. Noah had the faith to believe God, to believe there would be rain resulting in a flood, and that his ark would rise above the waters of judgement to safety (rapture)!

1/20/24 The Link Between Marxism & Abortion

The number one cause of death in America is still abortion. Without the right to life, no other rights matter. Seth Gruber, a renowned pro-life speaker and president of The White Rose Resistance, gives a powerful, passionate speech saying, "Many pastors don't understand that the culture war is a spiritual war. Abortion forms the lynchpin to the silent Marxist revolution." Margaret Sanger, founder of Planned Parenthood, was greatly influenced by communism and euthanasia to start abortion clinics to rid the world of the "unfit." The strategy of our adversaries is sexual chaos, abortion and euthanasia.

1/27/24 Explosion of Antisemitism

Why are American students turning against Jewish students? Three top university presidents testified before a Congressional Committee as Congresswoman Elise Stefanik asked if calls for killing Jews violates their standards of conduct. They answered that it would be context related. But would calling for the death of Muslim students be context related? Of course not. This double standard dehumanizes Jewish students. Kayleigh McEnany says 60% of students think the best way to resolve the war would be to give the land to Hamas. Amir Tsarfati says Israeli soldiers are turning away from secularism and toward God!

2/3/24 Hope in God

If you say your circumstances are hopeless, you're slamming the door on God. Fear and discouragement are from the enemy, but faith and hope come from God. Terry Law, author of *The Hope Habit, Finding God's Goodness When Life is Hard*, says having hope as a habit is life changing! It's not simple optimism! Biblical hope has the power of God to train you to live with a hope to give you confidence in God in severe trials by freeing your mind from worry and fear that actually

weakens our immune systems! Just a tiny spark of hope breaks that cycle to release endorphins that lessen pain, and promote healing and hope.

2/10/24 The Controversy of Evolution

Is Intelligent Design religious? Is evolution scientific, or is it a religious belief based on faith? Are millions of scientists who believe in evolution wrong? Evolution has been enshrined in our educational system with laws to protect it. Scientists in the 1800's believed that life could spontaneously come from non-life. What Darwin believed, Pasteur disproved. Dr Carl Warner, author of Evolution-the Grand Experiment, believed in evolution until a friend asked him questions that changed his worldview.

Why would birds evolve half a wing or animals that evolve half a leg evolve into intermediates that are incapable of life?

2/17/24 The Pope vs The Commandments, pt 1

What happens to culture when the Church blesses degeneracy? A new decree issued by Pope Francis has changed the official Catholic doctrine of 2000 years from homosexuality being a sin to now being blessed as same sex unions. Jonathan Cahn, author of The Return of the Gods, says this is not just a demonic attack on churches, but end-times apostasy. In fact, the Pope, head of 1.3 billion Catholics, warned that being too rigid on absolutes can be contrary to nature. That each person should search their own consciences for commandments. This decree will have a profound impact on morality throughout the world.

2/24/24 Grace Through Faith Alone, pt 2

What makes Christianity different from other religions? The most crucial issue is where you will spend eternity. Mike Gendron, a devout Catholic for 35 years, had a crisis of faith between believing Catholic teachings or the Bible. Was salvation based on faith alone or on faith plus being baptized, believing the Eucharist is Christ's body, believing in Mary as a perpetual virgin and the infallibility doctrine. When Jesus was dying on the cross He said, "It is finished!" What was finished? Why did Jesus have to die on the cross? Pastor John MacArthur says by praying to and exalting Mary, Christ is robbed of His Glory.

3/2/24 Islamic War Against Civilization, part 1

Many Americans naively assume all religions are basically the same. That Islam is peaceful. That's what the Lebanese people believed before the Muslim take over. Then it became a living hell for Christians. Brigitte Gabriel, author of Because They Hate – A Survivor of Islamic Terror Warns America, says, "Lebanon was much like America – prosperous, open and democratic. But their multiculturalism led to their downfall." Brigitte tells how horrible it was to live in a shelter for 7 years without electricity, adequate food or drinkable water. Why did Muslims do that to her? Americans need to understand the danger of Islam here!

3/9/24 Islamic War Against America, part 2

Why are public schools promoting Islam when Christianity gave us freedom and prosperity? Martin Mawyer, author of Twilight In America -The Untold Story of Islamic Terrorist Training Camps Inside America, describes the 3 dozen camps he has personally seen and how they plan to take over America for Allah. Dr Bob Morey, an expert on Islam, and author of over 40 books, with two doctorates, says Muslims are planning a massive attack (with a nuclear device) in America to bring this nation under subjection to the barbaric Sharia Law. How can we prevent and even defeat this coming Islamic invasion?

3/16/24 How To Bring Children to Christ

What does it mean to be a true follower of Jesus Christ? What's a false convert? How can you tell if a child is truly saved? Cuts from the movie *The Atheist Delusion*. Almost 9 out of 10 (88%) of church children lose their faith before high school graduation. What can a parent do to be sure their children keep their faith? Ray Comfort, evangelist and author of *How To Bring Your Child To Christ and Keep Them There*, says, "Don't give your children a false image of God. Give them a true understanding and view of the God of the Bible not Santa Claus!" Parents should teach their children the fear of the Lord to resist their temptations.

3/23/24 The Power of The Resurrection

From the beginning of time people feared and dreaded death, but the resurrection of Christ changed that by showing death wasn't the end but the beginning. Our nation's schools are robbing this generation of this life changing, historical fact, by censoring out the greatest event in all human history – the resurrection. Patriot Pastor Garrett Lear tells of Christ's suffering in Gethsemane where he sweat drops of blood, the beatings, the tortuous death on the cross and the separation from God the Father. But Jesus wasn't a victim caught in a trap but a wonderful victor filled with resurrection power.

3/30/24 The Resurrection & The Life

Most people have no idea of the infinitely high price God paid for their salvation! Pastor Robert Nash, author of *Last Words - 7 Sayings From the Heart of Christ on the Cross*, says while Jesus was gasping for every breath, he spoke words filled with hope and compassion. William Frey, says, "Since God can raise the dead, death has lost its power over us." John MacArthur, of *Grace to You*, tells how the disciples were terrified before the resurrection but after seeing Jesus, they became fearless & transformed the world. Chuck Smith says, "The crucifixion wasn't an accident but designed by God to show his love and forgiveness for sin.
