Dear Mr. Singleton:

Your letter of July 26, 2005 to Tom Howe at UNC-TV was referred to me. I am pleased to learn that you are planning a new system to serve the Belhaven area.

Since WUND-TV is a qualifying noncommercial educational station, we can not make an election. WUND-TV is entitled to carriage under the must carry provisions of Part 76 of the FCC rules. The retransmission consent and must carry election decision that is defined by 76.64 only applies to commercial television stations. WUND-TV formally requests carriage on Channel 2 under the current must carry rules.

If you should need assistance receiving the signal of WUND-TV, please contact Wayne Estabrooks in our transmission engineering department at 919-549-7265. Also, we would like to offer you any of our digital services at no charge to your customers. These include UNC-ED, our education channel; UNC-KD, our children's channel; and UNC-NC, our North Carolina channel. These will be available for reception at your cable headend.

If you should have any questions, please give me a call at 919-549-7263. Thank you for your interest in UNC-TV.

Sincerely,

Carl W. Davis
Assistant General Manager
