Mr. Michael Aquino
Director of Technology
Bay Creek Communications
107 Mason Avenue
Cape Charles, Virginia 23310

Dear Mr. Aquino:

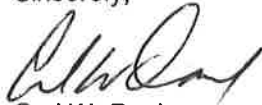

I am in receipt of your letter of March 12, 2004 asking WUND-TV to choose either "must carry" or retransmission consent. This relates to your plans to serve the Cape Charles community.

WUND-TV is a non commercial educational television station and therefore can not make such a selection. WUND-TV hereby requests "must carry" status on this cable system. Since this station is entitled to must carry status, it is entitled to carriage on the lowest "basic" tier of service.

Please give me a call as soon as possible at 919-549-7263 to discuss channel position. Our engineers will be happy to assist you in receiving WUND-TV and making it a good choice for your subscribers.

Thank you for your time and cooperation.

Sincerely,

Carl W. Davis
Assistant General Manager
