KSL TV Anchor/Reporter[« Back to Listings](#)**KSL Broadcast Group**

Salt Lake City, UT | Posted Mar 25, 2015

**Job Description****Position Objective:**

1. To timely, accurately and fairly conceptualize stories for Television presentation. This may include writing; producing and stand-up reporting stories for either tape/audio or live camera.

2. Willing and able to cover any story assigned -- organize, write, edit and anchor strong news feature stories within deadlines and to meet newscast time constraints.

3. Enunciate clearly and exhibit the ability to interpret and read copy fluently. Organize and perform work-assuring follow-through while functioning as a member of the KSL Television News Team.

4. Meet "on-call" requirements -- work nights, weekends and holidays as needed.

5. Act in a professional and courteous way and dress appropriately for the event being covered.

6. Maintain a professional and helpful attitude towards other staff members at all times.

7. Valid driver's license and proven ability to safely drive company vehicle or personal vehicle (as case may be) without exposing the company to serious liability risks.

8. Actively help keep KSL on the competitive edge by contributing creative ideas on show development, format execution, etc. and effectively implement constructive feedback.

9. Attend evaluation sessions and staff meetings as required.

10. Fill in for other anchor/reporter as assigned.

KRSP-FM/KSFI-FM Music Station Digital Content Producer (Full-Time)

KSL Broadcast Group

Salt Lake City, UT | Posted Aug 20, 2015

[Apply Now](#)

Job Description

The Digital Content Producer leads Bonneville Salt Lake's music stations (103.5 The Arrow, KRSP-FM, and FM100.3, KSFI-FM) efforts to stay current with the latest developments and approaches for online conversation and community engagement. This person will identify and advance conversations generated by the Bonneville Salt Lake's music stations; will create a culture of collaboration, connecting our station's voice with our most influential listeners; and collaborate with programming, promotions, and sales in an effort to unify the Bonneville music stations digital efforts. PHYSICAL DEMANDS: Receive, process, and maintain information through oral and/or written communication effectively. Substantial physical movements (motions) of the wrists, hands, and/or fingers. Lift, move, and carry up to 20 pounds on occasion. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law. Minority/female/disability PWDNET/veteran are encouraged to apply.

Responsibilities

ESSENTIAL FUNCTIONS & KEY RESPONSIBILITIES: Responsible for working in conjunction with programming to consistently and manage all content published on Bonneville Salt Lake's digital platforms. This includes, but is not limited to, station websites, Facebook, Twitter, YouTube, and Instagram. Must have quality graphic design expertise using Adobe Creative Suite. (Please submit your design portfolio showcasing your work.) Deep understanding of the station's brands in order to appropriately publish content. Responsible for bridging the gap between Bonneville's digital assets and sales. Coordinate station's digital marketing efforts, as well as staying on top of trending digital developments. Able to manage stress effectively. Work in compliance with Company policies and procedures. Work effectively in a team environment. Maintain a positive and cooperative rapport with staff, management and clients. Consistently works hours required. Works more when required to meet deadlines, including weekends, holidays, evenings, etc. Project an appropriate professional appearance and demeanor. Personal growth and development. Other duties as assigned.

Lift, move, and carry up to 20 pounds on occasion. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law. Minority/female/disability PWDNET/veteran are encouraged to apply.

Responsibilities

ESSENTIAL FUNCTIONS & KEY RESPONSIBILITIES: Responsible for working in conjunction with News and programming to consistently manage content published on KSL's platforms. This includes, but is not limited to, radio station website, podcast pages, Facebook, Twitter, YouTube, and Instagram. Deep understanding of the station's brand in order to appropriately publish content. Participate in station's digital marketing efforts, as well as staying on top of trending digital developments. Video switching and editing capabilities Proficient with all major social media platforms Create content for use on web/social only Must be a quick learner and very detail oriented Capable of managing multiple projects in various stages of the project life cycle Excellent communicator Strong journalism and writing skills a bonus. Broadcast delivery skills preferred, but not required. Able to manage stress effectively. Work in compliance with Company policies and procedures. Work effectively in a team environment. Maintain a positive and cooperative rapport with staff, management and clients. Consistently works hours required. Works more when required to meet deadlines, including weekends, holidays, evenings, etc. Project an appropriate professional appearance and demeanor.

MARKETPLACE

KNOWLEDGE, SKILLS, & ABILITIES: College degree in Journalism, or Marketing. If no degree, 1-2 years of digital project experience. Prefer experience working in graphic design, using Photoshop, Illustrator and Final Cut Pro. Prefer 2+ years successful experience working in social media, with a deep understanding of social media techniques and tools. Having the ability to research and implement new social media practices is a significant plus. Specifically, experience with Facebook and Twitter ads and analytics, as well as knowledge in the mobile marketing area, to expand the station's voice. Flexible personality in order to connect news, programming, and promotions. Self-motivated, creative individual, who can also organize, and consistently display good judgment. Capable of performing under stress while meeting company deadlines and needs.

Job Description

KSL in Salt Lake City is looking for a talented storytelling photojournalist to join our staff of photographers. KSL believes in NPPA storytelling principles and is competing in the West Top Station pool in NPPA Quarterly Clips. Our goal is to become one of the best team of Photographers in the nation. News management is passionate about character storytelling in day turn and long form work and wants someone dedicated to beautiful photography and creative editing. KSL has recently been nominated for 30 Regional Emmy Awards and we pay NPPA Memberships. **PHYSICAL DEMANDS:** Receive, process, and maintain information through oral and/or written communication effectively. Substantial physical movements (motions) of the wrists, hands, and/or fingers. Ability to extend hand(s) and arm(s) in any direction with good eye and hand coordination. Good vision and hand coordination. Lift, move, and carry equipment that weighs 50-60 lbs. Able and willing to carry equipment for whatever distance is necessary to completely cover the event.

Responsibilities

ESSENTIAL FUNCTIONS & KEY RESPONSIBILITIES: Must set an example of professionalism in photographic skill, NPPA style video storytelling, attitude and commitment. Must adhere to ethically sound journalistic principles. Maintain a professional attitude with entire news staff. Good attitude, cooperation and communication are expected. Must show an extended knowledge of the technical abilities of photojournalism and Storytelling as set by the Chief Photographer and DMC News Division management. Determine as much information about an assignment as possible before leaving the newsroom. Communicate with the assignment desk, reporters, producers, and Radio personnel as the story develops. Ability to edit video news stories in a professional and expedient manner. Maintain communication with the station, alerting the desk by radio or telephone of any story or personal status change that may affect the assignment. The photographer must be available via telephone at place of residence. Respond quickly to directions from producers, assignment desk and reporters. Willing and able to perform on-call duties and back-up on-call duties on a rotating basis. Required to work extended hours as needed. When "on-call" keeps in 24-hour contact with the station. Be able to respond within 10 minutes when called. (This eliminates any activity that makes a fast response impossible.) Along with the privilege of having an assigned car and equipment full-time comes the expectation of shooting breaking news stories when not on-call if a need arises. Usually the closest

photographer to a breaking story will be called first. Able to remain on a particular assignment until completed. Stay on the job from beginning until completion. Attend staff and photo meetings as scheduled. Valid driver's license and proven ability to safely drive company vehicle or personal vehicle (as case may be) without exposing the company to serious liability risks. Keep all assigned equipment in excellent condition by treating properly and overseeing preventive maintenance as needed. Be aware of and maintain security of assigned equipment at all times. This includes removing essential ENG tools from vehicle overnight and placing them in a personal residence. Consistently works flexible shifts as required. Works more when required to meet deadlines including news coverage events, other staff members' vacations and days off, weekends, holidays, evenings, etc. Communicate concerns and questions to the supervisor. There will be a time limit of 7 days for the supervisor to respond to a photographer's concerns/inquiries. Inquiries might include but not be limited to such things as KSL policies or a photographer's actions in a given situation. A final answer won't necessarily be available within 7 days but the process that is being employed to resolve the issue will be communicated by then. Assist in the training of photographers under the direction of the Chief Photographer. Help in arranging and participating in photo meetings and workshops. Actively participate in the NPPA quarterly clips competition and be a leader in the improvement of the photography staff. Accept special job assignments within the photo department as determined by the Chief Photographer or DMC News Division management. Work in compliance with Company policies and procedures. Work effectively in a team environment. Maintain a positive and cooperative rapport with staff, management, and clients. Project an appropriate professional appearance and demeanor. Able to manage stress effectively. Personal growth and development. Other duties as assigned.

Qualifications

REQUIRED KNOWLEDGE, SKILLS, & ABILITIES: Two (2) years post high school education in communications, journalism or related field or equivalent. Three (3) years previous commercial experience as a video photographer/editor, or equivalent. A sense of news value and be able to display creative abilities in photojournalism and video editing techniques. Audition tape may be required demonstrating accuracy, fairness and photojournalistic news style. Ability to edit proficiently on Adobe Premiere or expertise in other non-linear editing systems and ability to learn. Consistently work hours required. Work more when required to meet deadlines including flexible shifts, weekends, holidays, evenings, rotating days, overtime, etc. Required to work extended hours as needed. Must have a telephone and fill on-call schedules as assigned. Able to remain on a particular assignment until completed. Self-starter, dependable, and capable of performing under pressure particularly when unanticipated problems or unscheduled assignments arise, as the services performed affect the ability of others in the department to do their work. Job Description

ACCOUNT MANAGER Position Objective Deliver exceptional integrated marketing campaigns to our advertisers utilizing our multi-media platforms with our existing client base and by developing new business. Why Bonneville? The legacy, brand, and prestige of Bonneville. Bonneville Salt Lake Radio Group is a heritage broadcast company that brings decades of experience and possesses some of the most knowledgeable and skilled broadcast media talent and employees in the state. Our company mission is to provide leadership that builds-up, connects, informs and celebrates Utah's communities and families. We strive to achieve premium quality in programming, news, music, and advertising; thus, we seek individuals that are committed to fulfill and expand on these company values and purposes to assist our partners, clients, and other colleagues. Physical Demands: - Receive, process, and maintain information through oral and/or written communication effectively. - Substantial physical movements (motions) of the wrists, hands, and/or fingers. -Lift, move, and carry up to 20 pounds on occasion. Why be an Account Manager at Bonneville Radio Group? Bonneville Radio Group provides the best in brand, resources, talent, and employees that will assist you in achieving your career goals and, furthermore, bring success to your client's business and marketing objectives. The opportunities for growth and success are abundant and the environment and company vision from which we operate makes Bonneville Radio Group the optimal workplace in the broadcast media industry.

Responsibilities

What Bonneville Radio Group Account Managers Do: Today's media marketing world is constantly changing. Bonneville Salt Lake Radio Group continues to innovate and build the radio platform along with implementing social media and all marketing platforms. Your motivation and desire to consistently learn new things and stay connected to all broadcast and digital platforms are essential for success as an Account Manager. Having the ability to create new ideas along with your willingness to convert to various selling methods as technology innovates and trends shift is vital to increase sales and maintain high marketing status. Your knowledge and experience in radio broadcast advertising along with digital and social media will place you as an advisor and a

consultant to local businesses and media agencies. Account managers assist in their clients' business growth using the tools and resources Bonneville Media Group provides to reach their targeted audiences. As a Bonneville Radio Account Manager you will be helping local businesses and companies become familiar with broadcast advertising (including digital and social media) and helping them strategize the best solutions for them to thrive and make a positive impact in the community.

Qualifications

Your Skills and Qualifications needed to succeed: - Outside sales, media sales, business marketing or related field OR college degree in communications. Applicants with previous broadcast sales experience will be given first consideration. - Working knowledge of word processing, spreadsheets, and databases (Microsoft Office, etc.) - Knowledge with comparable research tools. - Enthusiastic, positive, and creative perspective to new business approaches with a commitment to personal growth through continual training. - Valid driver's license and proven ability to safely drive personal vehicle without exposing the company to serious liability risks.
