Re: WSRQ-FM, Zolfo Springs, Florida, Facility ID No. 64699
Lake Erie College of Osteopathic College, Inc.
File No. BALH-20190802AAS
Request for Extension of Time to File Post-Consummation Ownership Report

Dear Ms. Dortch:

Lake Erie College of Osteopathic Medicine, Inc. ("LECOM"), the licensee of noncommercial educational station WSRQ-FM, Zolfo Springs, Florida ("WSRQ-FM"), by its counsel, hereby requests an extension of time in which to file a post-consummation ownership report in connection with the consummation, on September 23, 2019, of the above-referenced transaction. LECOM requests an extension until January 31, 2020 so that it may file a combined biennial ownership report and post-consummation ownership report. LECOM submits that Commission and licensee resources should not be wasted with duplicative reports, and that one ownership report will serve both purposes.

In the event there are any questions concerning this matter, please contact the undersigned.

Respectfully submitted,

WILKINSON BARKER KNAUER, LLP
