The central Illinois rivalry between I-74 foes Illinois State and Bradley is well known for their battles on the basketball court, but instead this week the two universities are going head-to-head seeing who can donate the most blood. The blood drive will be open Wednesday and Thursday at Hewitt and Manchester resident halls on ISU's Campus. All participating donors will receive a free t-shirt. Appointments are required for this drive, and more information on how to sign up can be found at [red-cross-blood.org](http://red-cross-blood.org).
