Quarterly Issues and Programming List:

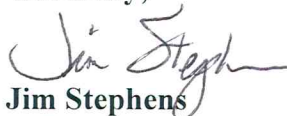

Attached is a listing of some of the significant issues responded to by WWIL-FM, Wilmington, NC. This is by no means an exhaustive list.

WWIL feels it is important to keep our listeners informed and we do so with a 2 minute newscast at the top of the hour, over 50 hours each week. We also carry other news-orientated programs including a daily "Family News in Focus" airing after the News at 7am, 3pm and during the 10pm hour. Financial matters are a major concern for most working families and so we carry every weekday "My Money Life" a 2 minute daily at 7:30am & 4:40pm to help address and answer questions dealing with money. We also carry "Joni and Friends", a 4 minute program that daily deals with issues of the disabled, airing at 8:45am weekdays. Some of the issues addressed during the past quarter include: getting control of your finances thru budgeting, corporate stewardship, job search tips and tough interview questions, 4 rules for credit cards, utility bills & your credit, helping your kids cope by bully role playing, veterans, the fiscal cliff, elections Christmas budgeting and strong willed children.

Local interviews this quarter included; Carla Roberts Executive Director of the Yahweh Center Children's Village about National Adoption Month; Jason Gray a singer with a speech disability; Brenda Matthews of Reaching Hearts about their Random Acts of Kindness during the month of November; Cindi Adair of LifeLine Pregnancy Center about their annual Walk for Life; Marc Martel lead singer of Downhere and Todd Agnew and singer/songwriter; Pastor Chris Glenn about Living Nativity in Carolina Beach.

Also see attachments to WMYT-FM for additional information.

Sincerely,

Jim Stephens
General Manager
