**Quarterly Issues and Programming List:**

Attached is a listing of some of the significant issues responded to by WWIL-FM, Wilmington, NC. This is by no means an exhaustive list.

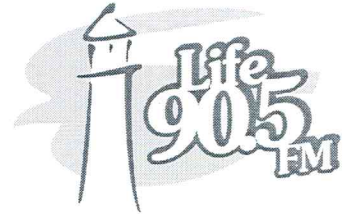

WWIL feels it is important to keep our listeners informed and we do so with a weekday local newscast as well as national news. We also carry other news-orientated features daily. Financial matters are a major concern for most working families and so we carry every weekday "My Money Life" a 2 minute daily program at 7:30am & 4:40pm to help address and answer questions dealing with money. We also carry "Joni and Friends", a 4 minute program that daily deals with issues of the disabled, airing at 8:45am weekdays. Some of the issues addressed during the past quarter include: home schooling, Syrian crisis, Supreme Court decisions on Voting Rights Act ruling, DOMA, California gay marriage ruling and others, First Amendment rights, the Boston Bombing, marriage issues, parenting problems, single adult concerns, adult children returning home, growing a garden, budgeting and abuse.

Local interviews this quarter included; Dave Davies of Halo Sports joined us to talk about their upcoming summer camps starting after school ends. Also, Hal Hiatt local director of FCA discussed upcoming event for area high school students and their summer camps.

Also see attachments to WZDG-FM for additional information.
