Quarterly Issues and Programming List:

Attached is a listing of some of the significant issues responded to by WWIL-FM, Wilmington, NC. This is by no means an exhaustive list.

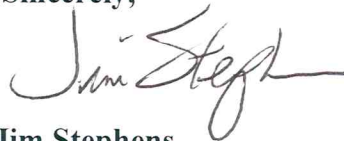

WWIL feels it is important to keep our listeners informed and we do so with a 2 minute newscast at the top of the hour, over 50 hours each week. We also carry other news-orientated programs including a daily "Family News in Focus" airing after the News at 7am, 3pm and during the 10pm hour. We also carry "Joni and Friends", a 4 minute program that daily deals with issues of the disabled, airing at 8:45am weekdays.

Some of the issues addressed during the past quarter include: Career Changes, Gas-Saving Tips, How to Repair Your Credit How to Start a Side Business, When to Buy Life Insurance If You Can't Pay Your Taxes, Employers Checking Facebook Student Loans, Tax Refund Identity Theft, GSA Scandal Yard Sale Tips, Money Lessons for Kids, How to Buy a Car Healthcare Reform vs. Religious Freedom, STD tests, letting teens make choices, Moms raising boys, sibling rivalry, helping military families, divorce affects on older children, and protecting your children against sexual abuse.
