To Nurture, Encourage and Strengthen You in Your Walk with Christ

October 3, 2019

Quarterly Issues and Programming List:

WWIL FM feels it is important to keep our listeners informed and we do so with morning drive time local news, weather and traffic updates. We also carry programming to help marriages, retirees and local interviews with Christian leaders in the community.

See attached listing of some of the programming topics during this past quarter. This is by no means an exhaustive list and is only a brief sampling of topics discussed.

Also see attachments to WZDG-FM for additional information.

Sincerely,

Jim Stephens
General Manager
