Quarterly Issues and Programming List:

Attached is a listing of some of the significant issues responded to by WWIL-FM, Wilmington, NC. This is by no means an exhaustive list.

WWIL feels it is important to keep our listeners informed and we do so with a 2 minute newscast at the top of the hour, over 50 hours each week. We also carry other news-orientated programs including a daily "Family News in Focus" airing after the News at 7am, 3pm and during the 10pm hour. Financial matters are a major concern for most working families and so we carry every weekday "My Money Life" a 2 minute daily at 7:30am & 4:40pm to help address and answer questions dealing with money. We also carry "Joni and Friends", a 4 minute program that daily deals with issues of the disabled, airing at 8:45am weekdays. Some of the issues addressed during the past quarter include: surviving bankruptcy, financial bondage and symptoms, living on less in retirement, ways to cut financial stress, paying off old debt, job search strategies, lending to friends, teaching kids about money, budgeting for the unexpected, unspoiling your children, college students and credit cards, job search priorities, consequences of cohabitation, helping military families, the destruction of pornography, protecting our children and helping they learn new relational skills, boundaries for toddlers, providing restitution for stealing, dealing with school bus bullies and school struggles, providing your children media boundaries, forgiveness and choosing activities for your children that have a purpose.

Local interviews this quarter included; Ken Davis talking about his new book Fully Alive; Carla Roberts Executive Director of the Yahweh Center Children's Village about winning Mutual of Omaha contest for charities and receiving a \$5000 check; Danny Thompson former Top 50 Fortune Company Executive and now a Wilmington resident about his new book Faith and Career Encounter; Dr. Turpin author and conference speaker at Pine Valley Church of God, Dawn Michelle of Fireflight and Jon Micah of Kutless talking about upcoming concert; Julie Morgan a local author talking about a local Singles Conference and Freddy Justice about Life Chain Sunday.
