Quarterly Issues and Programming List:

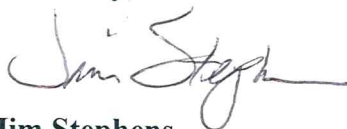

Attached is a listing of some of the significant issues responded to by WWIL-FM, Wilmington, NC. This is by no means an exhaustive list.

WWIL feels it is important to keep our listeners informed and we do so with a weekday local newscast as well as national news. We also carry other news-orientated features daily. Financial matters are a major concern for most working families and so we carry every weekday "My Money Life" a 2 minute daily program at 7:30am & 4:40pm to help address and answer questions dealing with money. We also carry "Joni and Friends", a 4 minute program that daily deals with issues of the disabled, airing at 8:45am weekdays. Some of the issues addressed during the past quarter include: money decisions, being an involved Dad, using affirmation raising you children, marriage counseling, love language, restore marriages, forgiveness for infidelity, midlife crisis, establishing healthy boundaries, dealing with parental guilt, debt & financial decisions in marriage.

Local interviews this quarter included; New Coastal Christian High School principal--Gabriel J. Pethel, Jeana Lindbert - local author of *Unhindered-a Journey to Move with Power and Purpose*, singer, songwriter Mark Schultz, Joseph Simpkins-- interview about *Adrenaline* the movie, Matt & Erin Blair about to talk human trafficking locally and Dr. Bill Bennett of Mentoring Men for the Master with Jack Hudson about 2nd Chronicles Prayer Breakfast and Mentoring Schools.

Also see attachments to WZDG-FM for additional information.
