Re: EEO Certification for the 2017 Reporting Year

Dear Ms. Stallings:

In order to reduce printing and mailing costs, the Federal Communications Commission will no longer be issuing EEO Certification postcards to multichannel video programming distributors (MVPDs, including cable units). Therefore, this electronic letter will serve as your 2017 Certification of Compliance under 47 CFR § 76.77(b) of the Commission's rules. This certification applies to the units listed below for the 2017 reporting year. Units not listed may be undergoing further review. If you have any questions regarding this matter, please contact Lewis Pulley at 202-418-1450 or [lewis.pulley@fcc.gov](mailto:lewis.pulley@fcc.gov).
