In the early morning hours of February 15th, 2020, Los Angeles, CA police responded to a call of a woman screaming; they found 38-year-old Harwick lying unresponsive beneath the third-floor balcony of her home. Police found evidence of a struggle and forced entry. The cause of death was ruled to be blunt force injuries to the head and torso, with medical examiners finding evidence of strangulation. Harwick’s friends led investigators to her ex-boyfriend, Gareth Pursehouse, who she met in 2008. Their relationship turned abusive – there were numerous police reports and two restraining orders Harwick obtained against Pursehouse and she ended the relationship in 2012. Four days after Harwick’s death, police arrested Pursehouse and charged him with murder. **02/12/22 Update:** In September 2021, Pursehouse appeared at the Los Angeles Superior Court for a preliminary hearing. Prosecutors presented DNA evidence which they said was a match to Pursehouse. A syringe found on Harwick’s balcony was tested and the results revealed that it contained nicotine, which can be a lethal poison; police found a syringe in Pursehouse’s home similar to the one filled with nicotine. After six days of evidence and arguments, the judge ruled there was more than enough evidence to bind Pursehouse over for trial for the murder of Amie Harwick. Her friends plan on attending. **On-screen text graphic:** If you or a loved one are a victim of domestic violence, call the National Domestic Violence Hotline at 1-800-799-7233. 48 HOURS: “Death on Safari” - a report on the death of Bianca Rudolph, which occurred while she was on a safari vacation with her husband, Dr. Lawrence (Larry) Rudolph, and the international investigation that followed. The Rudolphs were getting ready to head back home after a safari vacation in Zambia in October 2016 when Bianca suffered a fatal gunshot wound to the chest. The couple were experienced hunters. Larry, a successful dentist with several offices near Pittsburgh, PA, told local authorities that he was in the bathroom of the couple’s two-room cabin when he heard a shot and found his wife dead in the next room. Larry said his wife was packing up a shotgun in a soft-shell gun case; he first told a local hunting scout that his wife had died by suicide, but later told investigators that the gun must have accidentally fired. After two days of investigating, Zambian police closed the case, calling it an accident. There were questions early on about how Bianca could have accidentally shot herself in the chest with such a long-barreled weapon. Larry had his wife’s body quickly cremated in Zambia, which led a friend of Bianca’s to doubt this was an accident. Soon after Bianca’s death, the friend called the FBI. According to an FBI complaint, she also said Larry was having an affair with Lori Milliron, who managed the dental offices, and that Larry had been verbally abusive to Bianca; the friend also told the FBI that the couple fought over money. It took investigators five years to investigate the case. In December 2021, Larry was arrested for the murder of his wife; he maintains his innocence. Lori was arrested in February 2022 and faces seven federal counts. Original on-screen text graphic: The joint trial of Lawrence Rudolph and Lori Milliron is scheduled to begin in July. **On-screen text graphic for the 09/10/22 rebroadcast:** On August 1, 2022, Larry Rudolph was found guilty of murdering his wife, Bianca Rudolph. - 09/17/22 **48 HOURS: “Gabby Petito: The Untold Story”** (9:00 – 10:00p) – a reedited and updated rebroadcast of “What Happened to Gabby Petito?” (OAD: 09/25/21), which takes a deeper look at the murder of 22-year-old “van life” vlogger Gabby Petito, as well as raising awareness about the warning signs of domestic violence. Petito went missing in August 2021 during a cross-country trip with her fiancé, Brian Laundrie. Laundrie returned home to North Port, FL on September 1st, 2021; he and his parents did not speak to police. On September 17th, his parents reported that he left for a hike at the Carlton Reserve on the 14th and that they didn’t know where he was. Petito’s remains were found inside Bridger-Teton National Forest in Wyoming on September 19th, 2021. **UPDATE:** After a massive manhunt, Laundrie’s remains were found on October 20th, 2021; an autopsy revealed he had died from a self-inflicted gunshot to the head. A notebook was found belonging to Laundrie; his writings claimed that Petito’s death was a mercy killing by him of her because she was suffering after an accident. Petito’s parents are suing Laundrie’s estate for wrongful death, and his parents for intentional infliction of emotional distress; they are in the process of filing a lawsuit against the Moab Police Department in Utah, related to how they handled the domestic violence stop in 2021. An independent review of the officers’ actions that day found fault and recommended more training. **On-screen text graphic:** Gabby’s parents have formed the Gabby Petito Foundation, which has partnered with the National Domestic Violence Hotline. If you or a loved one are a victim of domestic violence, call the National Domestic Violence Hotline at 1-800-799-7233. Barisone and Kanarek’s paths first crossed in March 2018, when Barisone hosted a clinic at his Florida horse farm. Soon, Kanarek was being trained and housed by Barisone and his staff at Hawthorne Hill, his Long Valley, NJ training center and farm. Their relationship eventually soured over the level of training Barisone provided personally to Kanarek, who retaliated by posting messages on Facebook branding him a bully, racist and antisemitic – allegations Barisone denies. The posts rattled and unnerved Barisone to the point where he called 911 four times and told police he “feared” for his life. Kanarek also filed a complaint with SafeSport, a watchdog group authorized by Congress. On August 7th, 2019, he confronted Kanarek and shot her in the chest; she managed to call 911 and after emergency surgery, survived. Charged with attempted murder and weapons charges, Barisone went on trial in March 2022; his attorney argued Barisone was driven temporarily insane by Kanarek’s attacks and then snapped. Kanarek testified during the trial that Barisone bullied her. The jury found Barisone not guilty by reason of insanity. Barisone claims to recall Kanarek’s social media posts about him but has no memory of the shooting; Kanarek and her family do not believe his story. **On-screen text graphic:** Michael Barisone was evaluated at the psychiatric hospital. Just last week, a judge ruled he should be transferred to a less restrictive facility. In six months, another hearing will be held to check his progress. 09/24/22 **48 HOURS: “A Man With A Past”** – a report on the disappearance of Lori Slesinski and the case against her killer, Derrill Richard Ennis, aka Rick Ennis. Slesinski, a recent college graduate, disappeared on June 10th, 2006, from Auburn, AL. Four days after Slesinski vanished, her car was found engulfed in flames on a deserted street; she was nowhere to be found. Her friend, Rick Ennis, claimed Slesinski had gone to make a big drug deal. Investigators found no evidence of a drug deal and suspected Ennis, who police believed was the last person to be with her before she disappeared. Ennis moved away from Auburn after his third police interview and the case went cold. Investigators learned Ennis murdered his mother Dolly Flowers and stepfather Eddie Joe Flowers in 1993, when he was 12-years-old; he later claimed his mother molested him. It took 12 years before authorities made a case against him. In 2018, Ennis was charged with Slesinski’s murder, even though her body was never found. Delayed by the pandemic, Ennis went on trial for the offense of capital murder and was found guilty almost 16 years after Lori Slesinski’s disappearance.
