

1/10/23

The following is a report on Public Affairs Programming for the Fourth Quarter of 2022 during which time the top issues of community interest and concern in New Port Richey, Florida and the surrounding area were found to be:

- Health
- Economy
- Public Safety
- Education
- Community Relations

This report summarizes a representative sample of programming that provided the most significant treatment of community issues during the past quarter. Programming frequently deals with more than one issue. In order to meet these issues, WDUV-FM airs a series of public affairs programs on Sunday mornings as well as weekday news updates.

"Radio Health Journal" airs at 7:00am and "Sunday Morning" airs at 7:30am.

WDUV-FM also helps meet community issues through daily programming. As traffic and transportation are often major issues for residents of Tampa Bay, WDUV-FM airs traffic reports four times hourly on weekdays from 6:00 to 9:00 a.m. and twice hourly from 4:00 to 6:00 p.m.

WDUV-FM also runs a heavy schedule of :60 second Public Service Announcements produced by the Florida Association of Broadcasters throughout all hours of the day.

Cox Radio, Inc. is the licensee of WDUV-FM.
