In the Applications, the Licensee disclosed the Violations to the Commission and provided relevant background information. On April 10, 2012, the Bureau issued the NAL in connection with the Violations disclosed in the renewal application for KBMQ(FM).

4. Because of the compliance issues raised by the disclosures of the Violations in the Applications, the Parties have agreed to enter into this Consent Decree, to which both the Licensee and the Bureau intend to be legally bound.

IV. Agreement

5. The Parties acknowledge that any proceeding that might result from the Public File Rule compliance issues referred to in Paragraph 3 above would be time-consuming and require a substantial expenditure of public and private resources. In order to conserve such resources, to resolve the matter, and to promote the Licensee's compliance with the Public File Rule, the Parties are entering into this Consent Decree, in consideration of the mutual commitments made herein.

6. The Licensee and the Bureau agree to be legally bound by the terms and conditions of this Consent Decree. Each represents and warrants to the other that its signatory is duly authorized to enter into this Consent Decree on its behalf. The Licensee agrees that the Bureau has jurisdiction over the matters contained in this Consent Decree and the authority to enter into and adopt this Consent Decree.

The Parties agree and acknowledge that this Consent Decree shall constitute a final settlement between the Licensee and the Bureau concerning the Licensee's Violations at the Stations, as discussed herein. The Parties further agree that this Consent Decree does not constitute either an adjudication on the merits or a factual or legal finding or determination regarding any compliance or noncompliance with the requirements of the Act or the Commission's Rules. The Parties agree that this Consent Decree is for settlement purposes only and that by agreeing to this Consent Decree, Licensee does not admit or deny noncompliance, violation or liability for violating the Act or the Commission's Rules in connection with matters that are the subject of this Consent Decree.

8. In express reliance on the covenants and representations in this Consent Decree, the Bureau agrees that it will cancel the NAL and not use the Violations in any action against the Licensee, provided that the Licensee satisfies all of its obligations under this Consent Decree. In the event that the Licensee fails to satisfy any of its obligations under this Consent Decree, the Bureau may take any enforcement action available pursuant to the Act and the Rules with respect to the Violations, and/or the violation of this Consent Decree.

9. The Licensee agrees to make a voluntary contribution to the United States Treasury in the amount of Seven Thousand Five Hundred Dollars (\$7,500). Such contribution will be made, without further protest or recourse to a *trial de novo*, by a check or similar instrument, wire transfer or money order payable to the order of the Federal Communications Commission. Payment by check or money order may be mailed to Federal Communications Commission, at P.O. Box 979088, St. Louis, MO

63197-9000. Payment by overnight mail may be sent to U.S. Bank—Government Lockbox #979088, SL-MO-C2-GL, 1005 Convention Plaza, St. Louis, MO 63101. 11. The Licensee represents that, in addition to its existing policies and procedures, it has adopted, is currently in the process of implementing, and agrees to abide by the Compliance Plan for the purpose of ensuring compliance with the Public File Rule. The Licensee agrees, to the extent that it has not already done so, to implement this Compliance Plan at the Stations no later than thirty (30) days after the Effective Date and to keep such Compliance Plan in effect for three (3) years after the Effective Date.

12. The Licensee represents that, as of the Execution Date of this Consent Decree, the Stations' public files fully comply with the Public File Rule.

13. The Licensee agrees that it is required to comply with each individual condition of this Consent Decree. Each specific condition is a separate condition of the Consent Decree as approved. To the extent that the Licensee fails to satisfy any condition or Rule in connection with this Consent Decree, in the absence of Commission alteration of the condition or waiver of the Rule, it will be deemed noncompliant and may be subject to possible enforcement action, including, but not limited to, revocation of the relief, designation of the matter for hearing, letters of admonishment and/or forfeitures.

17. The Licensee and the Bureau agree that the effectiveness of this Consent Decree is expressly contingent upon issuance of the Order, provided the Order adopts the Consent Decree without change, addition or modification.

18. The Licensee and the Bureau agree that if the Licensee, the Commission or the United States on behalf of the Commission, brings a judicial action to enforce the terms of the Order adopting this Consent Decree, neither the Licensee nor the Commission will contest the validity of the Consent Decree or Order, and the Licensee and the Commission will waive any statutory right to a *trial de novo* with respect to any matter upon which the Order is based (provided in each case that the Order is limited

to adopting the Consent Decree without change, addition, or modification), and will consent to a judgment incorporating the terms of this Consent Decree.

19. The Licensee and the Bureau agree that, in the event that this Consent Decree is rendered invalid by any court of competent jurisdiction, it will become null and void and may not be used in any manner in any legal proceeding.
