ISSUES AND PROGRAMS: THIRD QUARTER 2017

ISSUE: YOUTH PROGRAMMING

Show: Date: Time: Duration:	Kresta in the Afternoon 9/27/2017 5pm 60m	Eagle Eye Ministries' mission is to form, unite, and inspire young Catholics for the new evangelization by deepening their relationship with Jesus Christ, through prayer, study, culture, and community. We'll talk about it with Fr. Nathan Cromly, who also discusses an MBA program for the New Evangelization
Show: Date: Time: Duration:	Call Me Catholic 8/12/2017 1pm 60m	Ready or not, it's time to get back to school. In the Call Me Catholic Countdown, Peggy lists her top five best pieces of advice she'd like to offer incoming freshmen as they pack up for their first year of college. Dr. Michael McLean, President of Thomas Aquinas College in Santa Paula, California, discusses the Catholic foundation that has shaped his school's remarkable success, consistently ranked high among such organizations as The Princeton Review, U.S. News and World Report and Kiplinger. As Peggy and Dr. McLean continue their conversation about Thomas Aquinas College and its student life, listeners are invited to call in with their comments and questions.
Show: Date: Time: Duration:	Catholic Playlist 9/23/2016 7pm 60m	Sharing the joy of the Gospel through the power of music, the Catholic Playlist plays the best and newest contemporary Christian music from Catholic artists only.

ISSUE: FAMILY, PARENTING AND RELATIONSHIPS

Show: Date: Time: Duration:	Call Me Catholic 7/22/2017 1pm 60m	For many, summer offers an opportunity to enjoy the blessings of family. Peggy's sister Jonie from Atlanta, an occasional CMC contributor, shares the Call Me Catholic Countdown this week which is "the top five things family teaches us about God." The definition of family reaches beyond our own nuclear family. Our parish community is an extension of family and we need to relate to fellow parishioners with the same personal concern and love that we do our own immediate family members.

ISSUE: HEALTH

Show: Date: Time: Duration:	Kresta in the Afternoon 8/22/2017 4pm 30m	Some transgender advocates are encouraging us to use the word "chestfeeding" instead of "breastfeeding," claiming that it's insensitive to say only biological females can breastfeed. While there have been cases of men lactating, it would take a miracle for them to produce enough milk to feed a baby. Greg Popcak joins us with a look at the controversy.

Date: 10/6/2017

Show: Date Time: Duration:	Kresta in the Afternoon 8/9/2017 4pm 60m	Research in neuroscience has shown that our brains are shaped by what we believe about God. When we understand God as good and loving, we flourish. But when we have a distorted view of a vengeful God, we suffer. Psychiatrist Tim Jennings brings neuroscience and Scripture together as we discuss the God-Shaped Brain.
