Operation Christmas Child collects shoebox gifts filled with fun toys, school supplies and hygiene items—and delivers them to children in need around the world to demonstrate God’s love in a tangible way. For many of these children, the gift—filled shoebox is the first gift they have ever received.

Since 1993, Operation Christmas Child, the world’s largest Christmas project of its kind, has collected and delivered more than 198 million shoebox gifts to children in more than 170 countries and territories. In 2022, Operation Christmas Child hopes to collect enough shoebox gifts to reach another 11 million children. This year, the project will collect its 200-millionth shoebox!

### Eternal Impact

Delivered into the hands of children through local churches, every shoebox gift is an opportunity to share about Jesus Christ and God’s love.

Since 2009, more than 30.9 million children who have received a shoebox gift have enrolled in The Greatest Journey—a 12-lesson discipleship program. Children learn from trained, local volunteers what it means to follow Jesus and share their faith with friends and family.

In 2022, Operation Christmas Child celebrates 10 million graduates from The Greatest Journey!

### How to Give:
