If we can see God's hand at work it's a good indication of our spirituality. God intervenes if He is pleased. God works with us and through us. Our qualification is what counts. Numbers don't matter with God. We must base what we believe on God's Word. We must have faith in God. Have we experienced God's intervention in our lives? God works with us where we are. Sin must be removed before God works through us. Gideon's faith wasn't as strong as it should have been. God was building his faith. Judges 7:15. His faith was strengthened. God was able to perform a miracle. The enemies' lives destroy themselves. We must have God's intervention. Hebrews 11:33. 2. God is still in the kingdom building business. Christ Who is the rock is our foundation and doesn't move in our storms. The rock also produces fruit in our families. John 15:16. Fruit that remains is fruit that can reproduce itself. It also reproduces in abundance. Galatians 5:16 gives us the fruit of the flesh and the fruit of the Spirit. They are contrary but we must walk in the Spirit and not fulfil the desires of the flesh.

We must not make the Word of God fit our lives. We must make our lives fit the Word of God. The family is pulled in so many different directions. This produces instability. Delighting in the Word of God produces stability. We must have a foundation, boundaries and be directed by the Word of God. Colossians 3:18. We must be in our proper places. Without the Word of God there is no direction.

Lines of communication in the family must be kept open. God's Word is our guide for honoring the Lord in our homes. The family is the most important foundation for many parts of society. Satan has been successful bringing problems into the family to cause destruction. We must be the same Christian at home that we are in public. This is a real testimony to others. We must obey the Lord as individuals. We must be saved to have the Lord lead us. We must not be selfish, proud, impatient, bitter or angry. We must not have anything between us and God or other family members.

We must have open and honest communication and be willing to help each other.
