

WXDU DURHAM, NC

QUARTERLY ISSUES AND PROGRAMS LIST **First QUARTER 2019**

Forrest DeMarcus, Non-Music Program Director
April 10, 2019

SECTION I: Issues Programming

In an effort to promote community awareness and to fulfill its public service commitment and obligation, WXDU has identified the following issues to be of concern to the Duke University and Durham community:

1. Community Activism and Involvement
2. History
3. Arts and Literature
4. Sports
5. Science and Technology
6. Diversity and Culture

To address these issues, WXDU broadcasts the following radio shows:

“WXDU Sports”

First and third Sunday of every month, 6:00-7:00 pm

This show covers regional sports.

“Music and Spirituality”

Tuesdays 4:00-5:00 pm

Music & Spirituality is hosted by Rabbi Elana, Campus Rabbi at Duke. This talk show explores the concept that music is essentially spiritual, is our soul’s inherent language, and has the power to change us. Each week a unique guest joins Rabbi Elana in the station for conversation interspersed with music selected by the guest as their spiritual songs.

“To the Front”

Mondays 4:00 - 5:00 pm

Host Kym Register, musician and owner of a local LGBTQIA nightclub, guides listeners through an hour of music performed exclusively by minorities of race, sex, sexual preference, and gender identity. Each show spotlights a single artist, label, or scene via music, information, interviews, and anecdotes.

“Standing Room Only”

Mondays 6:00 - 7:00 pm

Host Chase Ulicny and guest contributors, many being students or graduates of Duke University’s Fuqua School of Business, discuss the business side of sports talent. They interview guests with substantial experience in the industries of media, entertainment, and sports. The show explores ways to break into these industries and how to make a profession there.

Other programming includes:

“**Spectrum**” is produced by Deutsche Welle and gives updates on science and technology from around the world.

“**Living Planet**” is produced by Deutsche Welle and covers environmental science and

sustainability.

“World in Progress” is produced by Deutsche Welle and covers events occurring in the developing world.

“Making Contact” is produced by the Radio Project and “produces media that analyses critical social and environmental issues and encourages civic participation, by giving voice to diverse perspectives and opinions.
