### **THANK YOU**

On behalf of the Stockton Police Department, I would like to thank you for your recent partnership with our Department's 2<sup>nd</sup> Annual "Trunk or Treat." Your contribution to the event allowed thousands of community members to experience a safe and joyful evening. Families created lasting memories and had an opportunity to meet business and organization representatives as well as members of our Department.

Your overwhelming support contributed to a successful community event that serves to uphold the Stockton Police Department's Mission, "To work in partnership with our community, to build and maintain relationships founded on trust and mutual respect, while reducing crime and improving the quality of life."

Support from partners like yourself is integral to our overall success as a community. Again, we thank you for your dedication and support toward our community as well as law enforcement. We look forward to our continuing partnership.
