This summary covers the **FIRST QUARTER 2019**

Issue	Title/Responsive Programming	Date/Time/Duration
<p><i>Children's health; environmental education</i></p>	<p><u>Discover the Forest</u></p> <p>Kids enjoy the time they spend outside. In fact, 88 percent of kids say they like being in nature and 79 percent wish they could spend more time there. When kids spend time outdoors, they get the chance to explore, use their imaginations, discover wildlife, and engage in unstructured and adventurous play. Additionally, studies show they have lower stress levels, become fitter and leaner, develop stronger immune systems and are more likely to become environmentally conscious in the future.</p> <p>Listeners are directed to DiscoverTheForest.org, where they can search for nearby areas to explore and pick up quick tips on enjoying their time outdoors. The campaign also has Facebook, Instagram, and Twitter accounts where followers share and explore the beauty of the forest and the health benefits associated with spending time outside.</p>	<p>1/5-3/31 12am – 11:59pm (various hours) 15:00</p>
