## Religious Programming

### 1st Qtr. 2015 Religious Programming

Programming	Time Period	Description
Shepherd's Chapel	M-F 4:00AM - 5:00AM	A unique verse by verse, chapter by chapter, book by book teaching of the Holy Bible. From the Shepherd's Chapel in Gravette, AR we have been presenting our Father's Word via satellite since 1985 and today our daily one-hour Bible class is viewed on over 225 television stations in the United States and Canada. We have thousands of home satellite dish students throughout the western hemisphere who can view our Bible study 24-hours each day and thousands more listen via internet and shortwave around the world. And now you too can join our Bible study over the Internet. Welcome to our daily Bible study hour!"
The 700 Club	M-F 9:00AM - 10:00AM	The 700 Club is a live television program that airs each weekday. It is produced before a studio audience at the broadcast facilities of The Christian Broadcasting Network (CBN) in Virginia Beach, Virginia. On the air continuously since 1966, it is one of the longest-running programs in broadcast history. The program is hosted by Pat Robertson, Terry Meeuwsen, and Gordon Robertson, with news anchor John Jessup. The 700 Club is a mix of news and commentary, interviews, feature stories, and Christian ministry.
Joel Osteen	Sunday's 7:30AM - 8:00AM	Joel Osteen is a native Texan and the Pastor of Lakewood Church, which according to Church Growth Today is America's largest and fastest growing church. On July 16, 2005 after completing \$95 million dollars in renovations, Joel moved Lakewood Church into its new 16,000-seat home - the former Compaq Center. It is the largest regularly-used worship center in the United States. Each week Joel delivers God's message of hope and encouragement to more than 38,000 attendees. According to Nielsen Media Research, Joel is the most watched inspirational figure in America. His weekly sermon is broadcast into every U.S. television market where it is viewed by seven million Americans each week and more than 20 million each month. His weekly broadcast is also seen in almost 100 nations around the world.
