

# Community Issues Report – WJQK

*October 2022 – December 2022*

**Issue:** Cold Weather

**Station Response:**

We partnered with local West Michigan businesses to collect winter clothing items (hats, gloves, boots, mittens, coats, etc.) that were then donated to the Holland Rescue Mission and Mel Trotter to be distributed to the homeless and those that need warmth this winter.

**Issue:** Families in need

**Station Response:**

We teamed up with Harvest Stand Ministries to offer our listeners a chance to adopt families in their program for Christmas and provide some needs and wants as Christmas gifts for them this year.
