

# Community Issues Report – WJQK

*October 2023 – December 2023*

**Issue:** Cold Weather

**Station Response:**

We partnered with West Michigan businesses to collect warm winter clothing items (hats, gloves, boots, coats, etc.) that were then donated to Holland Rescue Mission and Mel Trotter Ministries to be distributed to the homeless and those in need this winter.

**Issue:** Families in Poverty

**Station Response:**

We teamed up with Harvest Stand Ministries and provided 10 families with Christmas needs and wants. Listeners were invited to adopt a family and shop for some specific needs and wants for each person in that family.
