Section I
LOCAL PROGRAMMING

Section I lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.

ISSUE	PROGRAM /TITLE	DESCRIPTION	GUEST	DATE/ TIME	DURA- TION
-------	-------------------	-------------	-------	---------------	---------------

<p>Segment I and II</p> <p>Holiday Relationships and New Year's Resolutions</p>	<p>The Here's Help Show</p>	<p>Our main topics were Holiday Relationships and New year's Resolutions. Ms. Chaguaceda discussed the multitude of potential reasons for the increase in relationship break ups and divorces during the Holiday Season and gave advice on how to avoid these situations or at best how to deal with them in a positive manner. She also described the financial crisis exponentially increases the stress level of relationships. Ms. Chaguaceda then went on to discuss the Top Ten Broken Resolutions for the New Year and advised our listeners how to make longer lasting Resolutions through reality based self-assessment.</p>	<p>Barbara Chaguaceda MS PSY Mental Health Expert</p>	<p>1-1-12 6am-7am</p>	<p>40 min</p>
<p>Client's Corner</p>		<p>She further discussed the many different non-profit organizations that deal with broken or damaged relationships and gave the listener many options and techniques to lower the stressors that ultimately leads to a bad break up or a bad divorce that aberrantly affects family members and friends.</p>			<p>20 min</p>
		<p>Jessie is a 17 year old student at Here's Help and has been in treatment for the past two months. He is attending school full time and hopes to continue his academic goals by getting his GED and moving on to Miami Dade College</p>			

<p>Segments I, II & III</p> <p>Interview of three Here's Help Students</p>	<p>The Here's Help Show Y-100</p>	<p>Our guests this morning were three students from Here's Help and are currently in the residential program. They gave their personal testimonials of how they got involved in drugs and what it was in their respective lives that caused them to turn to drugs as their alternatives. They gave some valuable advice for parents to be aware of as it relates to their children and what are the signs and symptoms for them to watch. The main focus of advice was for parents to be involved with their children and maintain a high level of awareness of what, who and where their children are spending time with.</p>	<p>Here's Help Students</p>	<p>1-8-12 6am-7am</p>	<p>60 min</p>
--------------------------------------------------------------------------------	-----------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------	---------------------------	---------------

<p>Segments I & II</p> <p>Signs and Symptoms of Depression</p>	<p>The Here's Help Show Y-100</p>	<p>Our main topic was depression. Ms. Chaguaceda discussed how to differentiate between just a series of sad days and bout of depression in children, teenagers and adults. She also talked about exactly what clinical depression is and how it compares with simply depression. Ms. Chaguaceda then went on to explain just how treatable depression is among all age groups. She emphasized to our listening audience that once depression is identified one must very tactfully try to get the afflicted person into some form of therapy. She advised and explained the differing treatment methods between Counselors, Therapists, Psychologists and Psychiatrists. She also talked about the possible medications that could be prescribed and their potential side effects. She further discussed the many difference non-profit organizations that deal with depression and gave the listener many options and techniques to lower the stressors that ultimately lead to depression.</p>	<p>Barbara Chaguaceda, MS PSY Mental Health Expert</p>	<p>1-15-12 6am-7am</p>	<p>40 min</p>
<p>Client's Corner</p>		<p>Felipe, a 17 year old graduate, is one of the best outcomes from Here's Help. He graduated from the HH culinary and has since graduated from the Cordon Bleu and is currently employed and will be a Sous Chef at a new resort in Cancun after receiving high end culinary training in New York.</p>			<p>20 min</p>

<p>Autism Segments I and II</p> <p>Dan Marino Foundation</p>	<p>The Here's Help Show Y-100</p>	<p>Our main topic was Autism. Ms. Morantes discussed how to find Doctors that specialize in diagnosing the many different types of autism. She talked about the autism spectrum and just how difficult the differentiation process can be. Ms. Morantes then went on to explain just how treatable autism is among all age groups. She emphasized to our listening audience that once autism is diagnosed there are many ways that the Dan Marino Foundation can assist these parents and their children. She explained the differing options the foundation offered to all age groups. She also talked about the possible medications that could be prescribed and their potential side effects. She further discussed how the Foundation is now opening a Vocational center to train "aged out individuals" with Autism for jobs in society. Throughout the interview we mentioned websites and phone numbers that could provide more information about autism.</p>	<p>Susan Morantes VP of the Dan Marino Foundation</p> <p>Gary Steipleman, Community Store Manager, Walgreens</p>	<p>1-22-12 6am-7am</p>	<p>40 min.</p>
<p>Students Corner</p>		<p>Student is an 18 year old that has been at Here's Help for the past two and a half months. He talked about his drug use and the adjustments he has been making while in Here's Help.</p>			<p>20 min</p>

<p>Segment I: Feeding Children Everywhere</p>	<p>The Here's Help Show Y-100</p>	<p>Mr. Segreto explained exactly what the mission of Feeding the Children Everywhere was and how our listeners could get involved. He talked to us about what these ready to eat meals contained and how they were packed with as many vitamins and nutrients to keep as many children alive as possible simply by adding the package to water. Mr. Segreto then went on to explain just how they organized the making of over 3,000 of these nutritious meals in their school auditorium. He emphasized to our listening audience how they could also help Feeding Children Everywhere as well. Throughout the interview we mentioned websites and phone numbers that could provide more information about Feeding Children Everywhere.</p>	<p>Anthony J. Segreto, Project Coordinator</p>	<p>1-29-12 6am-7am</p>	<p>30 min</p>
<p>Segment II HIV/AIDS</p>		<p>Our main topic was HIV/AIDS. Ms. Chaguaceda discussed how to go about getting tested for free for HIV/AIDS. She also talked about exactly what HIV/AIDS is and how it was been spreading in our adolescent, as well as black and Hispanic communities. She then went on to explain just how treatable HIV/AIDS has become in recent years and how it is most certainly not a death sentence if diagnosed early. She emphasized to our listening audience that once HIV/AIDS is diagnosed one must very tactful in trying to get the afflicted person into some form of therapy. She advised and explained the differing treatment methods between Counselors, Therapists, Psychologists and Medical Doctors. She also talked about the possible medications that could be prescribed and their potential side effects. She further discussed the many different non-profit organizations that deal with HIV/AIDS and gave the listener many options and techniques to lower the many stressors</p>	<p>Barbara Chaguaceda, MS PSY Mental Health Expert</p>		<p>30 min</p>

<p>Segment I and II</p> <p>Plastic Surgery</p> <p>Student's Corner</p>	<p>The Here's Help Show Y-100</p>	<p>Our guest talked about the many different psychological issues, especially self-esteem or lack thereof, that must be cleared before many cosmetic surgeries should occur. He also talked about all the issues facing single or divorced mothers with respect to attempting to talk their younger daughters into possibly needless surgeries. Our guest also updated the listening audience on the actual amounts of under 18 cosmetic surgeries that were happening in the United States.</p> <p>Cory is an 18 year old student at Here's Help for the past three months. He gave his personal testimonial surrounding his circumstances leading to substance abuse.</p>	<p>John Chang, MD Plastic Surgeon</p>	<p>2-5-12 6am-7am</p>	<p>40 min</p> <p>20 min</p>
<p>Segment I and II</p> <p>Education Funding</p> <p>Charter Schools</p> <p>UTD/SEIU Merger</p> <p>Student's Corner</p>	<p>The Here's Help Show Y-100</p>	<p>Our guests talked about their recent high profile trip to Tallahassee to lobby for education funding. The also talked about all the education relevant legislation pending in the Capital. We talked about the merger of the SEIU employee like Doctors, Nurses and hospital workers with the UTD and how that came about. Our guests also updated the listening audience on the status of all our public schools and their comparisons with Charter Schools. They also detailed the Charter School movement in Tallahassee as well as the political ins and outs of the process.</p> <p>Giovanni is an 18 year old student at Here's Help for the past two and a half months that shared his story of how he ended up at the program</p>	<p>Karen Aronowitz President United Teachers of Dade</p> <p>Fedrick Ingram Secretary/ Treasurer United Teachers of Dade</p>	<p>2-12-12 6am-7am</p>	<p>40 min</p> <p>20 min</p>

<p>Segment I Feeding South Florida</p>	<p>The Here's Help Show Y-100</p>	<p>My guest, Ms. Pennant explained exactly what the mission of Feeding South Florida was and how our listeners could get involved. She talked to us about and emphasized that the issue was not a lack of food; but rather a shortage of distribution methods. Ms. Pennant then went on to explain just how the listening audience could volunteer and/or support their efforts through involvement with their upcoming Walk for Hunger. Ms. Pennant announced the dates and times of this and other upcoming fundraisers benefitting Feeding South Florida. She also emphasized to our listening audience how to obtain the locations of the many food banks for the needy in South Florida. Throughout the interview we mentioned websites and phone numbers that could provide more information about Feeding South Florida and their mission.</p>	<p>Ms. Anthea Pennant Director Feeding South Florida</p>	<p>2-19-12 6am-7am</p>	<p>20 min</p>
<p>Russell Life Skills Foundation</p>		<p>Ms. Collazo discussed how the Non-Profit got off the ground and told us the history of how the vision of former Miami Dolphin Twan Russell and his Educator Mother took shape with the creation of the Russell Life Skills Foundation. They also talked about how any group, individual or corporation can found a Russell Life Skills Reading Room anywhere in South Florida. Mr. Young gave us all the details regarding their upcoming fundraiser at Club Passion at the Seminole Hard Rock Hotel and Casino on Friday, March 2nd.</p>	<p>Justin young Operations Manager Yesenia Collazo Board Member Russell Life Skills Foundation</p>		<p>20 min</p>
<p>Students Corner</p>		<p>Felipe is an 18 year old student in the Here's Help Graduate Program. He entered HH at age 16, got his high school diploma and shortly after completed our culinary arts program.</p>			<p>20 min</p>

<p>Segment I Health Foundation of South Florida</p>	<p>The Here's Help Show Y-100</p>	<p>Ms. Gantman explained exactly what the mission of the Health Foundation of South Florida was and how our listeners could get involved. She talked about the many different programs as well as Grant opportunities offered by the Health Foundation of South Florida. Ms. Weinberg talked in detail about their very successful exercise programs aimed at seniors over the age of 60 and how it was absolutely never to late to start an exercise program and obtain extremely beneficial health results. They both went on to explain the evidence based results regarding how exercise also helps with depression.</p>	<p>Shari Gantman VP of Communication s and Marian Weinberg, Master Trainer, Health Foundation of South Florida</p>	<p>2-26-12 6am-7am</p>	<p>20 min</p>
<p>Segment II Walk to Cure Psoriasis</p>		<p>We opened the second segment talking to our guests about the Walk to Cure Psoriasis. Ms. Herschel explained to us how she founded the local Walk to Cure Psoriasis on behalf of her Father and went on to give us the details of all previous walks leading up to the latest one on Sunday, March 4th at Aventura Mall. Mr. Andy Herschel told us about just how driven his Daughter was even against extremely high odds of success. He talked about the fact that only after awareness was raised for Psoriatic Arthritis did the winner of America's Next Top Model and Professional Golfer Phil Mickelson join the fight and admit that they both suffered from the disease.</p>	<p>Andy and Jamie Herschel Walk to Cure Psoriasis</p>		<p>20 min</p>
<p>Student's Corner</p>		<p>Jack is a 24 year old student of Here's Help and entered the program through the Drug Court in Key West. He talked about his alcoholism and drug use and how has impacted his life.</p>			<p>20 min</p>

<p>Segment I Boys and Girls Clubs of Miami Dade</p>	<p>The Here's Help Show Y-100</p>	<p>Mr. Rodriguez explained exactly what the mission of the Boys and Girls Clubs of Miami Dade was and how our listeners could get involved. He talked to us about what the many different programs offered by the Boys and Girls Clubs of Miami-Dade and how they had evolved from being an athletic organization to a Non-Profit that offers many varied after school programs. Mr. Rodriguez then went on to let our listeners know about their two upcoming events, their 4th Annual Golf Classic on March 19th and their Joe's Stone Crab Bruch on May 6th. He advised our listening audience how they could volunteer and/or contribute to the Boys and Girls Clubs of Miami-Dade.</p>	<p>Alex Rodriguez Executive Director Boys and Girls Clubs of Miami-Dade</p>	<p>3-4-12 6am-7am</p>	<p>30 min</p>
<p>Red Light Cameras County Code Review & Enforcement</p>		<p>Our main topics were red light cameras, cleaning up the County Code, amnesty periods and his run for Mayor in November. Commissioner Martinez talked a little more in detail regarding red light cameras and his legislation intended to eliminate them entirely. He also explained his proposal to streamline the County License and Permitting process. He stated that many other Counties nationwide allowed someone to open a business and obtain necessary permits in one day. His proposal entails merely cleaning up the code to streamline the permitting process thus allowing small businesses to open faster to help push the economy. Lastly he explained the amnesty proposal and how it relates to individuals who have liens on their homes for prior violations.</p>	<p>Commissioner Joe Martinez Chairman Dade County Commission</p>		<p>30 min</p>

<p>Segment I Volunteer workers</p>	<p>The Here's Help Show Y-100</p>	<p>Mr. Trigos explained how he was a fan of our radio show primarily because of our Student's Corner segment. He talked to us about his struggles and history with drug use and how it affected him and his family. Mr. Trigos then went on to explain just how he became a fan and how it led up to his volunteering with Here's Help. Throughout the interview we mentioned websites and phone numbers that could provide more information about volunteering with and the many programs available at Here's Help.</p>	<p>Fernando Trigos Volunteer Worker</p>	<p>3-11-12 6am-7am</p>	<p>30 min</p>
<p>Depression and Teens</p>		<p>We discussed the Top Ten Mental Health Issues affecting our youth today. Ms. Chaguaceda briefly discussed the top ten topics but then proceeded to be more in depth with Teenage Suicide and Single Parent households. She also talked about exactly what parents can do if they suspect that their son and/or daughter is depressed. Ms. Chaguaceda then went on to give our listening audience the signs and symptoms to look for if they suspect depression. She emphasized that once depression is identified one must very tactfully try to get the afflicted person into some form of counseling. She also talked about the possible medications that could be prescribed and their potential side effects. She further discussed the many different non-profit organizations that deal with depression and gave the listener many options and techniques to lower the stressors that ultimately lead to depression.</p>	<p>Barbie Chaguaceda, MS PSY Mental Health Expert</p>		<p>30 min</p>

Segments I and II Child Obesity and diabetes	The Here's Help Show Y-100	<p>Our resident Mental Health Expert discussed the topics of materialism, juvenile obesity and diabetes, school violence and drug abuse. Ms. Chaguaceda discussed in depth the above topics and their special significance during the adolescent phase of development. She also talked about how parents can do their best to model behavior in an effort to prevent the issues or coping mechanisms after they occur. Through the interview we mentioned websites and phone numbers that could provide more information about Teenage suicide and depression.</p>	Barbara Chaguaceda, MS, PSY Mental Health Expert Here's Help, Inc.	3-18-12 6am-7am	40 min.
Students Corner		<p>Anthony Blackman is a 36 year old former student of Here's Help who now runs his own cleaning company. He talked about his life before and after entering Here's Help and how Here's Help prepared him for his future</p>			20 min

<p>Segment I</p> <p>In Step Recovery Service</p>	<p>The Here's Help Show Y-100</p>	<p>Our guest talked about the history of the organization and how it was founded in South Florida. We discussed just how the In Step Recovery Service is raising awareness about the prevalence of alcohol and substance abuse especially among our youth in the local community. She talked about how substance abuse is perceived as being a mental weakness as opposed to being a physical disease. She also talked about their upcoming fundraiser.</p>	<p>Janet Epstein, Manager In Steep Recovery Service</p>	<p>3-25-12 6am-7am</p>	<p>30 min</p>
<p>Segment II</p> <p>Francine Walker Author of How To Be Happy</p>		<p>How to be Happy is a simple guide focusing on a few easy steps in achieving happiness. Our guest explained how her book was the first in a series and how it shows individuals exactly where in their lives they are choosing not to be happy. She also talked about how she helps her patients gain awareness of how they are allowing their fears to impede their happiness. Throughout the interview we mentioned websites and phone numbers that could provide more information.</p>	<p>Francine Walker Author and Mental Health Counselor</p>		<p>30 min</p>
