

In Touch with East Texas

KFRO-AM

4th Quarter

Sundays 630am-700am

<u>Date</u>	<u>Organization</u>	<u>Representative</u>
11/11/12/16	Veteran's Day With so many elderly coming to live in East Texas and making this their retirement destination many people thought we needed to step up our Veteran appreciation. Celebrating our Veteran's is the new event and Susan stopped in to tell us about what she has envisioned.	Susan Brown
11/18/19/16	Northeast Texas Pub. Health Dist. The Northeast Texas Public Health District offers East Texans so much help and free support that is not known about. But what one of their main focuses is the weight problem in ETX so they started the Lighten Up East Texas event and tell us all about it.	Terrence Ates
11/25/26/16	Cleve. Amery Black Beauty Ranch Cleveland Amery was an animal rights activist when he was alive and he started the Black Beauty Ranch that is a wildlife refuge where almost 900 animals who were abused in the past can live out their life in a happy stress free environment.	Noel Armrud
12/02/03/16	Cleve. Amery Black Beauty Ranch Cleveland Amery was an animal rights activist when he was alive and he started the Black Beauty Ranch that is a wildlife refuge where almost 900 animals who were abused in the past can live out their life in a happy stress free environment.	Noel Armrud
12/09/10/16	East Texas Symphony Orchestra The new season for the East Texas Symphony Orchestra is about to start and Richard lee stops in to let us know what we can expect this year and what special guests are going to be showing up this year.	Richard Lee

Compliance Issues Covered

Aging	Interpersonal Communication
Air Pollution	Local Government and Regulation
Alcohol	Media and Society
American Society and Culture	Mental Health & Mental Illness
Children at Risk	Military
Consumerism	Municipal Government
Crime and Prison	National Security
Disabilities	Obesity
Disaster Recovery	Parenting Issues
Discrimination	Pollution
Drunk Driving	Pop Psychology
Economics	Public Safety
Education	Research and Development
Environment	Substance Abuse and Addiction
Ethics	Taxes
Federal Government and Regulation	Technology
Health Care	Traffic Safety
Homelessness	Vaccination
Infectious Disease	Water Safety
Insurance	Women's Issues
	Youth at Risk

Program	16-40	Producers	Reed Pence & Heather Muno
Air Week	10/02/16-10/08/16	Production Director	Sean Waldron

Time	Segment		
2:02	NATIONAL SAFETY COUNCIL SAFETY MINUTE: DISTRACTED DRIVING		
	Compliance issues covered: auto and traffic safety; public health	OUTCUE: ...National Safety Council	
3:03	SEGMENT 1: POLICE RESPONSE AND THE MENTALLY ILL		11:47
	Synopsis: Police confrontations with mentally ill subjects can quickly turn tragic, as neither side may understand the other. Specially trained crisis intervention teams have spread around the country to prevent deaths, injuries, and unnecessary incarceration. Experts discuss how CIT works.	Host: Reed Pence. Guests: Laura Usher, Crisis Intervention Team Program Manager, National Alliance on Mental Illness (NAMI); Mary Neal, Director and co-founder, Assistance to the Incarcerated Mentally Ill; Dr. Randolph DuPont, clinical psychologist and Prof. of Criminal Justice, Univ. of Memphis; Sam Cochran, Major, Memphis Police Dept. (retired) and Project Coordinator, Univ. of Memphis CIT Center.	
	Compliance issues covered: public safety; mental illness; police and criminal justice; police brutality; education; community activism; prisons	Links for more information: http://www.nami.org/Get-Involved/Law-Enforcement-and-Mental-Health ; http://www.care2.com/c2c/group/AMI ; http://www.memphis.edu/cjustice/people/randolph-dupont.php ; http://cit.memphis.edu/sam.html	
15:52	SEGMENT 2: LEPROSY		7:14
	Synopsis: Thanks in part to its Biblical past, the disfiguring disease leprosy carries more stigma than most diseases. We hear little about it today, but it still exists, and because it's now treatable, often the stigma is worse than the disease. An expert discusses.	Host: Nancy Benson. Guests: Dr. David Scollard, Director, National Hansen's Disease Program	
	Compliance issues covered: health care; public health	Links for more information: http://www.hrsa.gov/hansensdisease/	

Program	Air Week	Producers	Production Director
16-41	10/09/16-10/15/16	Reed Pence & Michael Wu	Sean Waldron

Time	Segment		Dur.
1:58	NATIONAL SAFETY COUNCIL SAFETY MINUTE: MY CAR DOES WHAT?	Compliance issues covered: auto and traffic safety; technology OUTCUE: ... Safety Council and Toyota	:60
3:00	SEGMENT 1: ADOPTION PSYCHOLOGY	<p>Synopsis: People who are adopted have more psychological problems than others, yet they also tend to have other psychological strengths. Experts, both themselves also adoptees, discuss the roots and outcomes of these issues as adopted children grow up.</p> <p>Host: Reed Pence. Guests: Dr. Stephen Betchen, Clinical Asst. Prof. of Psychology, Thomas Jefferson Univ., Sr. Supervisor, Council for Relationships and author, <i>Magnetic Partners</i>; Dr. Joyce Maguire Pavao, adoption consultant and Lecturer in Psychiatry, Harvard Medical School</p> <p>Compliance issues covered: youth at risk; parenting issues; adoption; human development</p> <p>Links for more information: http://www.pavaococonsulting.com/Site/Dr._Joyce_Maguire_Pavao.html; http://www.stephenbetchen.com</p>	11:18
15:20	SEGMENT 2: TICKLING	<p>Synopsis: Tickling is a unique application of the sense of touch that surprisingly has developmental and cultural importance. Experts discuss the science and sociology of tickling.</p> <p>Host: Nancy Benson. Guests: Dr. David Linden, Prof. of Neuroscience, Johns Hopkins Univ. School of Medicine and author, <i>Touch: The Science of Hand, Heart and Mind</i>; Dr. Robert Provine, Prof. of Psychology & Neuroscience, Univ. of Maryland, Baltimore County and author, <i>Curious Behavior: Yawning, Laughing, Hiccuping, and Beyond</i></p> <p>Compliance issues covered: science and culture; human development</p> <p>Links for more information: http://davidlinden.org/bio/; http://provine.umbc.edu</p>	7:42

Air Week	10/16/16-10/22/16	Production Director	Sean Waldron

Time	Segment	Dur.
1:58	NATIONAL SAFETY COUNCIL SAFETY MINUTE: NEW TEEN DRIVERS	:59
2:59	SEGMENT 1: DIRECT-TO-CONSUMER GENETIC TESTING	11:49
15:50	SEGMENT 2: BRAIN INJURY AND HOMELESSNESS	7:07

Synopsis: Genetic testing is now available to consumers to satisfy a variety of desires—tracing heritage, gauging risk of inherited diseases in children, and screening for disease. However, risks come with what doctors say is incomplete knowledge. Experts discuss uses, risks, and future of consumer genetic testing.

Host: Reed Pence. Guests: Dr. David Balding, Prof. of Statistical Genetics, Univ. of Melbourne and University College, London; Dr. Wayne Grody, Prof. of Pediatrics, UCLA School of Medicine; Dr. Steven Monroe Lipkin, Pro. Of Medicine, Weill Cornell College of Medicine and author, *The Age of Genomes*; Dr. Gerald Feldman, Prof. of Pediatrics, Pathology and Molecular Genetics in Medicine, Wayne State Univ. School of Medicine and President, American College of Medical Genetics and Genomics.

Compliance issues covered: consumerism; health care; public health; technology and society

2:59	SEGMENT 1: VACCINATION REFUSAL	12:00

16:01	SEGMENT 2: THE BENEFITS OF FEAR	6:59
16:01	<p>Synopsis: A new survey shows more pediatricians are experiencing vaccination refusal among patients, and while the reasons are evolving, they still often result from misinformation. An increasing proportion of doctors are kicking these families out of their practices if they can't change minds and behavior, but is that ethical? Whose rights are paramount—the unvaccinated child or the rest of the practice? Experts discuss.</p> <p>Host: Reed Pence. Guests: Dr. Kathryn Edwards, Prof. of Pediatrics, Vanderbilt Univ. and member, Committee on Infectious Diseases, American Academy of Pediatrics; Dr. Nathan Boonstra, pediatrician, Blank Children's Hospital, Des Moines, IA; Dr. Art Caplan, Director, Division of Medical Ethics, Langone Medical School and Co-Director, Project on Vaccine Ethics and Policy, New York Univ.</p> <p>Compliance issues covered: youth at risk; consumerism; health care; public health; ethics; parenting issues; state government regulation</p> <p>Links for more information: http://pediatrics.mc.vanderbilt.edu/directory.php?did=1822; https://www.unitypoint.org/blankchildrens/pedsgeekcmd-dr-nathan-boonstra.aspx; http://www.med.nyu.edu/pophealth/faculty/caplaa01</p>	12:00
16:01	<p>Synopsis: During the Halloween season, many people seek out frightening experiences. This controlled fear has a psychological and developmental purpose, as an expert explains.</p> <p>Host: Nancy Benson. 	<p>Synopsis: Doctors have often been advised to avoid emotions regarding patients in order to keep their decisions objective. However, this has led many patients to believe doctors don't care about them. A new movement in medicine seeks to reverse the trend and put compassion back in medicine, led by a "Healer's Art" class in many medical schools. Experts who teach the class explain.</p> <p>Host: Reed Pence. Guests: Dr. Joseph O'Donnell, Prof. of Medicine and Psychiatry, Geisel School of Medicine, Dartmouth College; Dr. Dean Parmelee, Prof. of Psychiatry and Pediatrics, Wright State Univ. Boomshoft School of Medicine.</p> <p>Compliance issues covered: education; health care; legal system</p> <p>Links for more information: https://vivo.dartmouth.edu/vivo/display/d2707x; https://people.wright.edu/dean.parmelee;</p>	15:01
	<p>Synopsis: A variety of liver diseases may cause test results that mimic alcohol-related cirrhosis. One, known as PBC, is the second largest reason for liver transplants in women. A patient and an expert discuss.</p> <p>Host: Nancy Benson. Guests: Ally Roberson, PBC patient; Dr. John Vierling, Prof. of Medicine and Surgery and Chief of Hepatology, Baylor College of Medicine</p> <p>Compliance issues covered: health care; alcoholism and substance abuse</p> <p>Links for more information: https://www.bcm.edu/people/view/john-vierling-m-d-f-a-c-p/b276af2c-ffed-11e2-be68-080027880ca6</p>	15:01

<p>Synopsis: Doctors have long known that people feel depressed when they're ill with a cold or the flu. But it may be more than simply feeling bad. Inflammation, which is part of many illnesses and infections, has been found in brain cells and is being implicated as a cause of depression, one of the world's most debilitating disorders. This creates the possibility of treatment with anti-inflammatory medications. Experts on the frontlines of this research discuss.</p> <p>Host: Reed Pence. Guests: Dr. Ed Bullmore, Prof. of Psychiatry, Univ. of Cambridge; Dr. Jeffrey Meyer, Director, Neurochemical Imaging Program, Center for Addiction and Mental Health and Prof. of Psychiatry, Univ. of Toronto</p> <p>Compliance issues covered: health care; mental health; consumerism; disability</p> <p>Links for more information: http://www.neuroscience.cam.ac.uk/directory/profile.php?etb23; http://www.camh.ca/en/research/about_research_at_CAMH/scientific_staff_profile/Pages/Jeffrey-Meyer.aspx</p>	<p>15:09</p> <p>SEGMENT 2: THE PSYCHOLOGY OF WEIGHT LOSS SURGERY</p> <p>6:54</p>	
<p>Synopsis: Patients who have bariatric surgery stand to lose not only lots of weight but often an identity and way of life as an obese person, which changes many of their relationships. Experts discuss these changes and means of coping with them.</p> <p>Host: Nancy Benson. Guests: Dr. Adam Crane, psychologist, Kane Center for Advanced Surgical Weight Solutions and Suburban Surgical Care Specialists, Hoffman Estates, IL; Dr. Nick Nicholson, Medical Director, Nicholson Clinic for Weight Loss Surgery, Plano, TX</p> <p>Compliance issues covered: health care; psychology; obesity; mental health; consumerism</p> <p>Links for more information: https://www.suburbansurgicalcare.com/in-the-media/weight-loss-surgery-seminars-with-chicago-bariatric-surgery-practice/; http://www.nicholsonclinic.com/our-doctors/nick-nicholson-md</p>	<p>15:09</p> <p>SEGMENT 2: THE PSYCHOLOGY OF WEIGHT LOSS SURGERY</p> <p>6:54</p>

Program Log for Radio Health Journal

	<p>Synopsis: Drug and alcohol addiction and abuse is rising. Researchers have found that "fear mongering" educational efforts to combat it in adolescents doesn't work. New science has discovered that certain personality types are predictably predisposed to addiction risk, and that educational efforts can be targeted to them effectively. Experts discuss.</p> <p>Host: Reed Pence. Guests: Dr. Natalie Castellanos Ryan, Asst. Prof. of Psychoeducation, Univ. of Montreal; Maia Szalavitz, author, <i>Unbroken Brain: A Revolutionary New Way of Understanding Addiction</i></p> <p>Compliance issues covered: public health; drugs; drug and alcohol addiction; youth at risk; education; police and law enforcement; mental illness</p> <p>Links for more information: https://www.chusl.org/en/Bio?id=c6f888f1-7ef7-47e6-b349-cc74ec1cfa3a; https://www.amazon.com/Maia-Szalavitz/e/B0011LFON8</p>	15:40
	<p>SEGMENT 2: GOD AND GENOME</p>	7:47
	<p>Synopsis: Advancements in genetic science are often clouded in ethical controversy. Experts discuss a new platform where scientists and public can debate it, and from which education can be disseminated.</p> <p>Host: Nancy Benson. Guests: Dr. Ting Wu, Prof. of Genetics, Harvard Medical School</p> <p>Compliance issues covered: health care; technology; ethics; education; religion</p> <p>Links for more information: http://pged.org</p>

5:47	<p>SEGMENT 2: "AFFLUENZA"</p>	
	<p>Synopsis: Rich people receive deference that the rest of us don't, but how much can they get away with? Some young criminals have escaped jail by claiming "affluenza:" their wealthy parents instilled no moral compass, so they believed they could do anything without consequence.</p> <p>Host: Nancy Benson. Guests: Dr. Suniya Luthar, Foundation Prof. of Psychology, Arizona State Univ. and Prof. Emerita, Columbia Univ. Teachers College; Maia Szalavitz, co-author, <i>Born for Love: Why Empathy is Essential and Endangered</i></p> <p>Compliance issues covered: youth at risk; mental health; law and crime; ethics</p> <p>Links for more information: http://www.suniyaluthar.org; https://www.amazon.com/Maia-Szalavitz/e/B0011LFON8</p>	

Program	16-52	Producers	Polly Hansen & Reed Pence
Air Week	12/25/16-12/31/16	Production Director	Sean Waldron

Time	Segment	Dur.
2:02	SEGMENT 1: "TWICE EXCEPTIONAL" CHILDREN	12:20
<p>Synopsis: Many people feel that gifted children don't need any help because they're so talented. But many gifted kids are so bored in school they become disruptive and do poorly, so they're not identified and their need for a challenge isn't met. Other gifted children have disabilities, such as learning disabilities, that are not identified because they are masked by their gifts. Experts discuss how to meet the needs of these children educationally and emotionally.</p> <p>Host: Reed Pence. Guests: Dr. James Webb, clinical psychologist, President, Great Potential Press and founder, Supporting Emotional Needs of the Gifted; Megan Foley Nicpon, Assoc. Prof of Counseling Psychology, University of Iowa and Assoc. Director for Research and Clinic, Belin-Blank Center; Jen Merrill, mother of two twice exceptional children and author, <i>If This Is A Gift, Can I Send It Back?</i></p> <p>Compliance issues covered: education; children at risk; disabilities; mental health</p> <p>Links for more information: http://sengifted.org; https://www.nagc.org/resources-publications/resources/myths-about-gifted-students; http://www.davidsongifted.org/Search-Database/entry/A10140</p>		
15:24	SEGMENT 2: BEAT DEAFNESS	7:31
<p>Synopsis: Some people simply have no rhythm. A small percentage may be "beat deaf," the rhythmic equivalent of tone deafness, and have a biological deficit in their body's timing mechanism. Experts discuss the problem and other body timekeeping clocks that may be affected. NOTE CONTACT POINT CITED: beat.brms@gmail.com</p> <p>Host: Nancy Benson. Guests: Mathieu Dion, Montreal TV reporter who suffers from beat deafness; Dr. Caroline Palmer, Prof. of Psychology, McGill Univ., Montreal.</p> <p>Compliance issues covered: disabilities; pop psychology</p> <p>Links for more information: https://www.mcgill.ca/channels/news/so-you-think-you-can-clap-beat-239990</p>

In Touch with East Texas KFRQ-AM 4th Quarter Sundays 630am-700am

Date	Organization	Representative
10/01/02/16	East Texas State Fair	Cody Rosenbaum
		Cody stopped by to let everyone know what is in store for them this year at the East Texas State Fair. Petting zoos, concerts, contests and rides are all on the topic of discussion and what has been improved this year from last.
010/08/09/16	Turn Tyler Pink	Jessica Whitehead
		This year the city of Tyler will be turned into a pink paradise for the 8 th year in a row for Turn Tyler Pink on October 1 st . Jessica lets us know what events are scheduled as well with who will be performing and speaking.
10/15/16/16	Orphan Sunday	Julian Sheridan
		Julian Sheridan and Kevin Burdett came in to talk about Orphan Sunday. November is National Adoption Awareness month and every year Green Acres Baptist Church sets aside a special day to bring awareness.
10/22/23/16	DEA Take Back Day	Susan Anderson
		It's coming close to the 12 th Annual National D.E.A. Take Back Day. It happens twice a year when people can have somewhere safe to dispose of any old, unwanted or unused prescription drugs.
10/29/30/16	Nicholas Pet Heaven	Nicholas & Cindy Nash
		Nicholas Pet Heaven is a non-profit that helps rescue animals. Nicholas and Cindy stopped in to let all of the listeners know about their services and what they want to achieve in the Tyler area.
11/04/05/16	Veteran's Day	Susan Brown
		With so many elderly coming to live in East Texas and making this their retirement destination many people thought we needed to step up our Veteran appreciation. Celebrating our Veteran's is the new event and Susan stopped in to tell us about what she has envisioned.
