

WRMU Issues/Programs List

Alliance, Ohio 44601

April 1, 2024

Issue: Public Affairs Issues

Discussion of the Issue:

Many area residents do not have a radio outlet for national and international events and issues. WRMU provides programming for people who may be interested in these issues. WRMU believes the community should be aware of world issues that are not covered in the local media.

Programming:

- A. Music and the Spoken Word Sundays at 8:30am - 30-minute weekly program the offers music and religious commentary.
- B. Academic Minute-Tuesdays at 12:30pm and Thursdays at 830am-2:30 segment. Discusses the latest in academic research from colleges and universities around the world (See program and issues list below)
- C. Climate Connections-Mondays and Fridays at 12:30pm 1 minute segment highlights the importance of water stewardship and sustainability in the Great Lakes and surrounding watersheds. (See program and issues list below)
- D. Reel Discovery-Airs Tuesdays and Fridays at 830 a.m.- 3:00 weekly feature, dedicated to helping busy movie lovers wade through the flood of new releases to find films that are worthy of their precious time and money.
- E. Shelf Discovery- Mondays at 830am and Wednesdays at 12:30pm- 3:00 weekly feature, dedicated to helping busy readers wade through the shelves and shelves of options to discover books that are worth their often-limited reading time.
- F. Loh Down on Science- Wednesdays at 830am and Thursdays at 12:30pm- 90 second feature about the world of science, with a dash of humor.
- G. With Good Reason- Thursdays at 5:30 pm- 30-minute which brings together higher education institutions and Virginia Humanities to make scholarly research accessible to all.

Issue: Various issues of Public Concern

Discussion of the Issue:

There are many issues effecting society and through public service announcements WRMU can inform the public about these issues. WRMU provides an outlet for these local announcements that benefit the community.

Programming:

WRMU airs two pre-recorded PSAs per hour on relevant issues to the public. For example: diabetes, Habitat for Humanity, high school dropout rates, energy efficiency, safe driving.
