### AFTER AIRING OF BROADCASTS:

Attach invoices or Schedule Run Summary to this Form showing:

- (1) actual air time and charges for each spot;
- (2) the date(s), exact time(s) and reason(s) for Make-Good(s), if any; and
- (3) the amount of rebates given (identify exact date, time, class of broadcast and dollar amount for each rebate), if any.

**Note:** Because the FCC requires that the political file contain the actual time the rate for spots “communicating a political matter of national importance” air, that information should be included in the file as soon as possible. If that information is only generated monthly, the file should include the name of a contact person who can provide the times that and rates for specific spots aired. The FCC’s online political files include a folder for “Terms and Disclosures.” NAB suggests that, for stations subject to the online public file rule, the names of contact person(s) be placed in that folder.

Jenn, here's the radio ad. If you have problems downloading it, let me know. I copied the script below.

Election day is this Tuesday, November 6, and for you, as a voter, there couldn't be a clearer set of choices. Please support the Democratic party. The Democratic Party works for working people. The Democratic Party expanded health insurance coverage for millions and protects people with pre-existing conditions from being booted off insurance. The Democratic Party CREATED Social Security, Medicare and Medicaid and wants to protect them for future generations. These programs are in jeopardy of being taken away by people who would put profits before people. The Democratic Party puts people first. Help us put you first by supporting Democratic Candidates at every level this Tuesday, November 6 - Election Day! Vote for Susan Boser for Congress. Vote for Tom Wolf for Governor or Pennsylvania. Vote for Bob Casey for US Senate. Vote Democratic and together we can Put People First.
