Quarterly List of Programming Responsive to Issues of Community Concern
3rd Quarter
October 10, 2022

To serve the public interest, the station broadcasts programming responsive to issues of concern to the CSRA and its listening public. The following lists issues most significant to our programming and the treatment of them:

Issues of importance this quarter included the following during the months of July, August, and September. In the month of July 2022, we welcomed several guests. At the Beginning of July, Mr. Jackson of Tri-Development Center of Aiken County, Inc. discussed the Center's safety programs. Mr. Thornton addressed local events. Mr. Thornton highlighted mental health party concerns. Mr. Thornton highlighted the benefits of physical activity for senior citizens and facts regarding health premiums. John Beveridge and Zee Wright visited the studio to discuss their upcoming play and film festival. Mr. Thornton highlighted cool shelters in Columbia and Richmond Counties and he also discussed local events. In August, the community note covered some back to school information for several schools in the community. Mr. Thornton highlighted mental health party concerns. Towards the end of the month, the community note covered various health matters. Mr. Thornton ran excerpts of Ernestine Smith's discussion of the Head Start program and Dr. Amy House's of Augusta University discussion of borderline personality disorder. Dr. Patti Bauer appeared on the show to discuss being pregnant and active. Beginning in September, the community note highlighted preparation tips for the November elections, support for mental health crises, and local events. The community note featured excerpts of John Milton discussion of hair care and his Barber and Beauty Fun Day event. Moving forward, the community note highlighted voting preparation tips, support hot lines, and local events. Mr. Thornton highlighted crisis phone numbers, events, and the Inflation Reduction Act benefits. At the closing of the month, Charles McNeil visited the studio to discuss his career as a sports announcer.
