

Program Issues 2nd Quarter 2012

April – May – June

WTCV

Issues:

1. An online news page revealed how prisoners have access to phones inside the correctional facilities, how they take pictures and post them on social networks.
2. It was revealed that Puerto Rico has the highest unemployment rate in the US.
3. The University of Puerto Rico lost approximately 12,000, because of a \$800 fee.
4. ACLU raised its voice over human civil rights.

Program: De todo y con todo con Angel Oliveras

Type: Social discussion

Broadcast: Monday - Friday from 8:00 to 10:00am

Description: The host discusses these and other issues with guests and the public.

April – The host discusses with guests the security problems at prisons, where it looks like everyone has a phone in the inside.

May – Unemployment reached a new high, with fewer opportunities and lower wages. The host also talks about how students are seeking other education facilities, because of students strikes and higher costs of the university of the state.

June – After an incident at Capitol Hill, where people were hit and mazed by the police trying to enter the building, civil rights groups have issued concerns on the professionalism of the police.
