

COMMERCIAL LIMIT CERTIFICATION

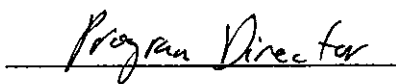

I, Lucky Lisenbe, in my capacity as Program Director of television station WMDN D1 & D2, Channel 24.1 & 24.2, Meridian, MS herby certify that for the period from 7/01/2014 to 9/30/2014:

- 1) I am familiar with the commercial limits imposed by Section 73.760(a) of the FCC's rules (no more than 12 minutes per hour of commercial material may be broadcast during children's programming during the week, and no more than 10 ½ minutes per hour on weekends);
- 2) I am familiar with the requirement in Section 73.760(b) of the FCC's rules that display of websites addresses during such children's programming is permitted only if: a) the website offers a substantial amount of *bona fide* program-related or noncommercial content; b) the website is not primarily intended for commercial purposes, including either e-commerce or advertising; c) the website's home page or other menu pages are clearly labeled to distinguish the noncommercial from the commercial sections; and d) the page of the website to which viewers are directed is not used for e-commerce, advertising, or other commercial purposes (e.g., has no links labeled "store" and no links to another page with commercial material).
- 3) I am also aware that Rule 73.760[c] prohibits the display of website addresses in such children's programming during both the program and commercial material when the site uses characters from the program to sell products or services.
- 4) Attached as Exhibit 1 is a true and correct list of all children's programming aired during the period listed above;
- 5) Attached as Exhibit 2 is a complete list of all instances in which the commercial time limits were exceeded for, or noncompliant websites were displayed in, the programs listed in Exhibit 1 during the period listed above.

Certified by me this 8th day of October, 2014

From: 13 years To: 16 years

LUCKY DOG

Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

DR. CHRIS PET VET

Chronicling the adventures of Dr. Chris Brown, DR. CHRIS PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

JAMIE OLIVER'S 15 MINUTE MEALS – Third Quarter through Saturday, September 20, 2014

Best known for his Emmy Award-winning television program, "Jamie Oliver's Food Revolution," Oliver is one of the world's favorite celebrity chefs who aspires to teach the world to cook. Oliver's core belief is that simply cooking for oneself using fresh ingredients is the easiest way to maintain a balanced diet, and to this goal, he has perfected a delicious collection of healthy recipes that can be prepared in 15 minutes. The show encourages young viewers to replicate the recipes and to develop healthy lifestyles through healthy cooking. The program also fosters viewers' appreciation for different kinds of foods and cultures from around the world. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

HENRY FORD'S INNOVATION NATION – Effective Saturday, September 27, 2014

The Henry Ford's INNOVATION NATION, hosted by Mo Rocca, features the celebration of the inventor's spirit - from historic scientific pioneers throughout past centuries to the forward-looking visionaries of today. Each episode tells the dramatic stories behind the world's greatest inventions, and the perseverance, passion and price required to bring them to life. The program includes segments focusing on 'what if it never happened' and 'the innovation by accident,' and has a strong focus on 'junior geniuses' who are changing the face of technology. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

RECIPE REHAB

Each week, host Evette Rios, recently a field correspondent and roving reporter for "The Chew," helps American families modify and update a high-calorie family recipe. First, two chefs face off in a head-to-head competition to give the recipes a nutritious low-calorie twist. After making each rehabbed recipe in its own kitchen, the family chooses its new favorite. This recipe makeover challenge teaches viewers about the nutritional value of different foods, promotes the use of healthy, wholesome ingredients, and demonstrates that healthy food choices can have positive effects on viewers' quality of life. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

ALL IN WITH LAILA ALI

ALL IN, hosted by Laila Ali, scours the globe to track down compelling stories, profiling inspirational people, groundbreaking achievements and extraordinary lifestyles. Using a magazine format, the program focuses on the achievements of individuals, who, whether through sports, culture, travel or adventure, follow their dreams. The program illustrates for viewers important life lessons: the rewards of developing a passion for some subject or discipline, the importance of setting goals and the value of not giving up. The show not only encourages a positive sense of commitment to one's goals but also the idea that hard work can achieve very positive results. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

GAME CHANGERS WITH KEVIN FRAZIER

GAME CHANGERS, hosted by "omg! Insider's" Kevin Frazier, highlights professional athletes who use their notoriety and success to make positive changes in the lives of people in need. The program offers a very positive opportunity to view sports figures in activities that reflect the ideas of good sportsmanship and civic mindedness. Profiled celebrities range from players who have set up charities for youngsters around the world to those who have put together foundations that support various initiatives in their own communities where they were raised as part of an effort to "give back." The show provides valuable lessons on the true meaning of sportsmanship and responsibility to society of those who have achieved great success. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
