

COMMERCIAL LIMITS CERTIFICATION

January 1, 2023 – December 31, 2023

WCLJ-TV ("Station")

Facility ID: 68007

Attached is a certification regarding compliance with the children's programming ("Children's Programming") commercial limits, including the commercial spots and promotional content contained therein, as broadcast on the network feeds ("Network Feeds") carried by the Station. The term "Children's Programming(s)" means a program originally produced and broadcast primarily for children 12 years of age and under.

In addition to the attached certification, the Station hereby certifies that:

1. The Station did not insert any commercial or promotional matter within any of the Network Feeds of the Children's Programming (either during or outside of the regularly formatted commercial breaks) that would cause the Children's Programming not to comply with the FCC's rules and policies regarding children's programming, including with regard to commercial time limits.
2. The Station did not air any Children's Programming during the period specified above other than the Network Feeds subject to the attached certification. Thus, based on the attached certification, the Station complied with the statutory limits on commercial matter for Children's Programming throughout the reporting period.

I certify that the foregoing is true, correct, and complete to the best of my knowledge and belief.
