Some marriages may be acting like, not the same as, traditional marriage. The imagination of gay couples may take over. Some gay marriages are not monomish, monogamous! In the gay culture, monogomy IS NOT ALWAYS BETWEEN one man and one man and one woman and one woman. Any way you cut it, gay marriage is not and never has been or will be in the mind of our Lord God!

Misinterpretation and little credibility of scientific investigation has fallen prey to sensationalism. The flaw in research is human pride to humanly bend results to fit one's secular beliefs. Science DOES NOT have all the answers. Behind each scientific study is a fallible human being.

Eric Metaxis says that Justice Kennedy's majority opinion on approving gay marriage that purports individual autonomy in all of life's decisions has affected the issue of people choosing to die. That is, this decision impacts that physician-assisted suicide should be allowed in all cases! How sad!

Breakpoint

Broadcast on 2015-07-21 at 7:30AM; Duration: 3:53. A Washington D.C. councilwoman made a startling, yet not surprising statement connected to the Supreme Court's decision to give, as gay couples, all control, all autonomy to decide to die or not. We are made in God's image. We are not like Nazism's stance, similar to the justification for physician-assisted suicide, which is, certain persons really have no dignity. These proponents are really saying being created by the Creator God in His image means little or nothing. It is no wonder such a stance on life has not the dignity and preciousness God has and does give it!

Today, how similar is euthanasia with depressed people-not just with the elderly. This is nothing short of human sin in the form of idolotry, placing man above God in decisions on life God GAVE, not man!

My Money Life

Broadcast on 2015-09-10 at 12:30PM; Duration: 5:00. discussion on how the elderly should handle important records - store records in a central place, be sure you have a current will and that it is signed, make sure both spouses know where records are kept. Dr. Evans says, like concrete that is mixed with water to become concrete, we need to take His word (the concrete), mix it with water(His Holy spirit, His Word, His faith) and our belief in who god is will become our experience and reside in us with great stability, like hardened concrete!

Breakpoint

Broadcast on 2015-07-14 at 7:30AM; Duration: 3:52. The re-emergence of Amazing Grace stole the show lately! With our Preident and Condy rice singing it at a funeral in Charleston, SC and Rice playing it on piano, should unite us as believers and as a nation with an emerging Holy Spirit-led desire to allow the Life of Christ to express grace in and through every fiber of our being every moment of every day. We'll never express this grace of God perfectly, but let's do so as believers in Christ progressively! THAT IS God's plan for us, for our world!

Alternative View

Broadcast on 2015-07-14 at 7:45AM; Duration: 2:00. Tony Evans says we need to keep away from designer religions, false religions-coming to God our way, not through Christ His death on the Cross. The 1936 Olympics when Jesse Owens won 4 gold medals, Satan's puppet leader, Hitler had to leaqve, because his country he led did not defeat freedom. In the Christian life, Satan cannot defeat God's hand or people eithr. Satan has to take notice!

Focus On The Family

Broadcast on 2015-07-23 at 1:30PM; Duration: 29:00. guest Tim Elmore - discussion on why parents should allow their children to fail - they will learn a geater life lesson from failure rather than always being rescued by parents

Alternative View

Broadcast on 2015-07-29 at 7:45AM; Duration: 2:00. Sin invites demons is just like bugs invade and love trash. Addictions are so hard to get over because demons are cattached here. Our thinking and behavior spiritually have not been addressed even if we try to get over the addiction(s) in a myriad of other physical, emotional, and mental ways! Impossible to have lasting victory without addressing the demonic, spiritual aspects!

Alternative View

Broadcast on 2015-08-03 at 7:45AM; Duration: 2:00. If the Spirit-led worldview and inner pressure of walking with Christ's faith is not out front, it is like a submarine diving into deep water. How is the pressure withstood by those sailors inside? It is that the pressure is grater inside the sub than it is in the water. Do you and I positively respond to the loving pressure of Christ in us to let Him be our pressure-bearer, or do we try to handle alone, or even help God out to handle life's pressures, wqhich are greater than ever before as Satan brings the pressure in this world?

Alternative View

Broadcast on 2015-08-25 at 7:45AM; Duration: 2:00. Dr. Evans says we must stop outsourcing parenting to others, if we want to stop the breakdown of our nation's most important, vital institution in the eyes of God, the family. We cannot be like old airport metal detectors which are not able to sense metal objects as new, technologically advanced ones do. The breakdown of the family by parents not following Christ has helped create children with insensitive consciences to the things of God.

Community Bulletin Board

Breakpoint

Broadcast on 2015-09-08 at 7:30AM; Duration: 3:53. Neo Darwinism is full of holes of doubt. Evolutionary biologists have many problems with the God-given complexity of beings that cannot be evolving, but created. The features of octopus's brains and eyes are LIKE humans! This is a created miracle, not evolution! How special is our Creator God and his Creation of all!

The Christian and Christian family have more similarities with Catholicism than other Protestant religion. The key difference is the authority of the church's source: Jesus! Standing with Catholics on truth of Scripture, truth in Jesus is essential. Otherwise, there is great distance between evangelical Christians and Catholicism.

Alternative View

Broadcast on 2015-09-30 at 7:45AM; Duration: 2:00. Dr. Evans says many believers come from church and lose the emotional steam from hearing from the Lord Jesus. We cannot live on mountain top experiences. Faith not feelings is how God causes us to live in Christ. Otherwise, our Christian life will be peaks and valleys of feelings not faith.

7. Abortion and traditional marriage:

Breakpoint

Broadcast on 2015-07-29 at 7:30AM; Duration: 3:53. Planned Parenthood continues to diss video of selling body parts for money. Here is an idea to affirm the truth. Let America's tax dollars be seen through a video of an abortion. This video would let people know the real truth of what happens to a live human being being killed. There is something to see. Planned Parenthood's model of operation depends on us NOT looking!

The deceptiveness of Satan at work yet again!

Breakpoint

Broadcast on 2015-08-13 at 7:30AM; Duration: 3:53. How can we take advantage of Planned Parenthood's secret videos? We can point out violations of Federal law. We can argue for life without arguing. The goal of our apologetic of life is to get through blockages of the pro-abortion view. First, for example, point out murder of any kind is wrong. That is a place to start!

Breakpoint

Broadcast on 2015-08-18 at 7:30AM; Duration: 3:52. Breakpoint

Broadcast on 2015-09-02 at 7:30AM; Duration: 3:52. Planned Parenthood wants the public to believe there is no good reason to support it. By reducing abortions, there is reason to believe, per a NY Times reporter, that a woman's health is and will be improved. There will be less reason for men to walk away from their children. As it is now, men have such convenience. Thanks to this reporter for such God-given wisdom on the whole abortion issue!
