Breakpoint

Broadcast on 12-18-2017 at 7:30AM; Duration: 3:55. John Stonestreet says the birth rate now and going forward is spiralling downward. Young adult millennials are not having many children, if any. The effects on our economy and the family itself is alarming. Children born now are the economic engine for the future. Babies help adults to care about their future. They do not care as much about the future.

Breakpoint

Broadcast on 12-19-2017 at 7:30AM; Duration: 3:53. Eric Metaxas shares further on lower child births that the USA has people beginning to die at home and no one notices! Eutanasia is alive and well in our country. Japan has a lack of school age children- a future look at the US? A generation of Japanese elderly are dying at home alone with no care.

The same demographic in Japan is here-lower birth rates and an aging population.
What can the church do?- have children and treat them as God's gifts!

7. Abortion and traditional marriage:

Breakpoint

Broadcast on 10-05-2017 at 7:30AM; Duration: 3:53. John Stonestreet advocates passage of a federal bill outlawing viable fetuses who can feel pain at 20 weeks. The Senate passage of the approved house bill is going to be more uphill in terms of passage. Abortion laws in the USA is stringent, more than anyone. We need to message Republican and Democrat senators, many of whom, support this bill's content just not the urgency! This bill's passage now is VITAL!!!

8. The disabled:

Joni And Friends

Broadcast on 10-02-2017 at 1:25PM; Duration: 5:00. host Joni Tada - discussion on the unique challenges of maintaining a positive attitude in the midst of possible extreme disability

Breakpoint

Broadcast on 10-13-2017 at 7:30AM; Duration: 3:55. An arm of Planned Parenthood wish to introduce and sustain that sex with anyone is okay, instead of a man and a woman as god designed. Many churches are coming up with these God first, Biblical classes on sex education and God's roles for man and woman in and out of marriage. Parents at home, however, is to be the main source of sex education! Christian parents must teach their children god's total view of marriage!

Two Minutes With Tony

Broadcast on 10-18-2017 at 7:45AM; Duration: 1:58. Dr. Evans says God rested. He created once. god has a Sabbath rest for us. It is ours. It is not just physical rest. It is learning to live to dwell in Christ, which, as a definite effect causes us to worship Christ and to be, as another effect be rejuvenated mentally, emotionally, and physically. What an awesome boon to our long-term health and care that vis!

Breakpoint

Broadcast on 10-19-2017 at 7:30AM; Duration: 3:53. The recent sexual predator behavior of hollywood moguls is frightening.. The New Testament roman world was very similar. Much damage has been done. As believers, God's design for marriage set in the New Testament implores Christians to stand up for god's design and gift of sexuality, created by God. Worse yet, we as believers cannot fall prey to experiencing, even advocating such fleshly, Satanic sexual predatory behavior. We must stand under the holy Spirit's control and obey AND stand for God's view in Jesus Christ of human sexuality!

Community Bulletin Board

Broadcast on 11-01-2017 at 1:25PM; Duration: 5:00. public service announcement for the Center for Family Caregivers Stroke and Aneurism support group on the first Monday of every month at the Holmes Regional Medical Center Auditorium

Section II: Responsive Programs (Continued)**9. Health Care (Continued):****Breakpoint**

Broadcast on 11-02-2017 at 7:30AM; Duration: 3:52. New pop culture in books are putting suicide front and center. Teen suicide books and movies are bereft of hope! It is nihilistic! How do we as Christ followers respond to this rise?

The dark mood leading to our world's second leading cause of death: suicide! As believers we need to be aware of this disturbing trend of only living if others and I feel I have something worthwhile to contribute to society set not by our teens but the God-hating world system! Satan loves that kind of destructive thinking!

Our Daily Bread

Broadcast on 11-10-2017 at 7:00AM; Duration: 1:58. A true story is told of the ODB devotional author having serious surgery and being agitated, even written up by a nurse as combative, though strapped in bed. One nurse showed a picture of God's touch, His physical comfort by holding the author's hand. We as believers are called to be led by Christ to follow his specific direction in comforting others. Christ does this in a variety of ways. No limit on the ways to comfort in 2 Cor. 1:3-4. PTL!!!

Breakpoint

Broadcast on 11-13-2017 at 7:30AM; Duration: 3:55. Dr. Commisar's study massively documents that the first 3 years of life moms at home results in better adjustment later in life. Feminists and liberals believe they can balance motherhood and work, even working a job at home! Commisar's study deserves all of us to seriously contemplate and embrace her study's findings which, by the way, track with God's thinking in Scripture!

Breakpoint

Broadcast on 11-17-2017 at 7:30AM; Duration: 3:52. Eric Metaxas shares a 1920's Supreme Court decision written by eugenics advocate, Oliver Wendell Holmes, Jr. that still stands in VA as a sterilization law barring government's decision to allow what they deem an unfit in all ways female from bearing children. The case actually found later that the woman in question, her mother, and family were mentally competent. Their ideologies toward life were sinful and wrong. That makes today's eugenics thinking and the VA law totally unethical and antithetical to God's view of His Creation: US in His Word!

Breakpoint

Broadcast on 11-21-2017 at 7:30AM; Duration: 3:53. John Stonestreet comments on a health care issue, a spiritual one, an often neglected, overlooked area of a human's overall health! Lack of peace due to a drive to find an alternative to the the Living God is now being pursued in earnest by many Millennials. It is not unbelief in any God, but one of their own choosing. Witchcraft and the like is on the rise among Millennials who are perceiving the Living God and religion as hypocritical and fraught with moral failure by the adherents of Jesus and religion. They expect to find fulfillment and satisfaction in this approach to life and overall health. Will they find it? No, just further frustration!

Breakpoint

Broadcast on 11-30-2017 at 7:30AM; Duration: 3:53. Eric Metaxas has dealt with depression. Professionals in medicine and psychiatry say it is serious as an illness. It is epidemic in our country, spreading across all age groups. Biblical study, fellowship, and prayer gave a woman named Lily, a serious sufferer from depression, has helped her even more than medication to help her moods. Eric commends seeking professional help for depression.

Our Daily Bread

Broadcast on 12-28-2017 at 7:00AM; Duration: 1:59. Just a smile...a choice in the midst of a surprise person darting in front of our car in a busy store parking lot. How will we as believers CHOOSE to respond? The woman in this true account said she had a choice to frown in frustration or smile. The Holy Spirit caused her to smile... "I know it was an accident". The man who ran in front of her car smiled too!

That is great practice of daily, God-ordained great emotional, mental, physical, and spiritual health care!

Section II: Responsive Programs (Continued)

9. Health Care (Continued):

Brekpoint

Broadcast on 12-29-2017 at 7:30AM; Duration: 3:52. Many people in the world blame the media for a pessimistic view of the world and news-induced anger, despite all the progress the world has and is making! This is a message of hope in Jesus can be the heralds of all God's goodness wqhen the world as a whole is negative and pessimistic in its future world outlokk. emotionally and spiritually, not to mention vphysically, this worldview of God will bring positivity and hope to a sad, depressed world asa respects our current and future human condition!

10. Crime and Area drug abuse:

Money Wise

Broadcast on 10-02-2017 at 3:30PM; Duration: 25:00. discussion on the data breach at Equifax and how you can help protect yourself against subsequent identity theft, the fastest growing class of crime in the world
