

Quarterly Report
January-March 2018

THIS IS A LISTING OF MAJOR PROBLEMS AND NEEDS WITHIN THE WAGA-TV SERVICE AREA AND A SAMPLING OF THE NEWS PROGRAMS DIRECTED TO THESE ISSUES IN THE PRECEDING THREE MONTHS.

Description of Typical and Illustrative Programs

GOOD DAY ATLANTA: “GDA” is a daily program with local and national news, as well as interviews that address topical issues and the people affected by them.
(Monday-Friday 4:30-10:00am, and Saturday-Sunday 6:00-8:30am)

FOX5 NEWS: In-depth local and national news.
(Monday-Friday 12:00N-1:00pm; 5:00-6:00pm; and 11:00-11:30pm;
Sunday, 11:00-11:30pm; and,
Monday-Sunday, 6:00-7:00pm and 10:00-11:00pm)

Wednesday's Child: The goal of this project is to give difficult-to-adopt children a fighting chance. The Wednesday's Child program is nationally known and nationally successful in placing children in need of homes. FOX5 News is now taking part in that success with a series of stories, benefiting the kids and the community.

The Georgia Gang: This show is Atlanta's longest running public affairs program airing Sundays at 8:30a.m. (repeating at 11:30p.m.) The weekly half-hour program, hosted by Dick Williams, includes a panel discussion of a variety of timely topics and provides a forum for state and local issues.

2/12/18 5p/6p/10p 7:05
Thieves targeting the city's college students could get more than they bargained for, should they encounter one group of young people. We're talking about a student-run gun club -- called the Marksmanship club -- that's recruiting members on the Georgia Tech campus. It's an organization that started as a social club.

2/12/18 10p/11p 4:40
University of Georgia police are trying to unravel a computer hacking case that's landed one student in jail so far. It's unclear if others are involved -- but UGA says 21 year old Michael Lamon Williams faces 80 computer related charges for hacking into an assistant professor's account to change his grades.

2/13/18 5p/6p/10p 6:55
Instead of going to class -- students from Clayton County public schools got on a bus -- and went to Delta Airlines headquarters. They're protesting house bill 821. Clayton county schools say the bill would keep the district from collecting taxes on 'plane fuel' sold at Hartsfield Jackson international airport. It would cost 18-20 million dollars a year.

2/13/18 5p/6p 5:15
Grief counselors are at a DeKalb county high school today helping students and staff cope with the loss of a student who died from the flu. Miguel Martinez was a student at cross keys high school. The 15-year-old died over the weekend after being sick with the virus for a few days. Last month -- a 15-year-old girl from Coweta County died from the flu. 'kira molena' passed away just days after contracting an aggressive form of the flu. Because of these deaths -- and the number of kids getting sick, schools are working to make sure the virus doesn't spread.
At Wesley International Academy in Atlanta workers and students sanitized classrooms.

2/15/18 5p/6p 4:30

3/16/18 7A/9A/12P/5P 22:00
Kratom-Following an FDA claim that an over-the counter herbal supplement called Kratom is essentially an opioid, the Fox 5 I-Team looked into Kratom's impact on the state. Proponents say it is a natural way to manage chronic pain or even anxiety, but state and federal officials say it's dangerous – even deadly. According to the State Medical Examiner, there have been 20 Kratom-related deaths in Georgia in the last two years. In this ongoing debate, the one thing both sides agree on is that there should be some standards in place to ensure safety.

RACIAL TENSION/PREJUDICE/DISCRIMINATION

1/4/18 5p/6p 3:00
70 people are hauled off to jail, after police found drugs at a 21st birthday party in Cartersville. Officers charged all 70 with having less than an ounce of marijuana. But there is confusion is over how many drugs police actually found. And now, the NAACP wants answers.

The flu continues to hit hard. State health officials say 51 Georgians have died from flu complications, including a teenager. And more than a thousand have been hospitalized. The CDC says the number of child flu deaths across

the nation has risen to 53. And half of the children who died did *not* have an underlying medical problem prior to falling ill. Children's Healthcare of Atlanta is seeing that concern playing out in its three emergency departments and urgent care centers. This is the busiest flu season Children's has ever seen. So, Children's is trying to reassure parents that most kids can get through the flu at home -- with time, and fluids, and rest.

Mayor Keisha Lance Bottoms speaks out against corruption, saying we need to change the process. She is going to put for a procurement process, but the process will still be under city hall. Impressive search committees are formed by Mayor Bottoms for such jobs as airport director, fire chief, chief of staff. Mayor Bottoms has also put through an ordinance to transfer the deeds to the public school system that had not been done during former Mayor Reed's tenure.

JANUARY

Project Overcoat

In cooperation with the Federal Express, Salvation Army Metro Atlanta Area, Kroger Stores, MUST Ministries and FOX 5 was the media sponsor for Georgia's largest coat and blanket drive for homeless and needy families.

To promote the event, FOX 5 produced and aired a three week PSA schedule and produced several live remotes during the weathercasts throughout Good Day Atlanta and the evening news. During the drive, approximately 14,957 coats and blankets were collected and distributed to 94 non-profit organizations including homeless shelters throughout metro Atlanta.

Dr. Martin Luther King, Jr. Commemorative Service

FOX 5 produced a live 2 ½ hour broadcast as well as live streaming video on fox5atlanta.com of the annual commemorative service held at Horizon Sanctuary at Ebenezer Baptist Church.

The Commemorative Service celebrated the 50th anniversary of Dr. King's death. Attendees included leaders from the local and civic communities, dignitaries from around the world, and ecumenical representatives from through out Georgia.
