Re: Compliance with the Children's Television Laws

This is to certify that the Blackbelt TV programming service (the "Service") does not currently contain any children's programming as defined under 47 CFR 76.225 of the rules and regulation of the Federal Communications Commission.

In the event that the Service includes any children's programming on its schedule after the date hereof, the Service will provide in writing, by the tenth day following the end of the calendar quarter in which such children's programming is added, a description of such programming specifying the dates and time of transmission and the duration of the "commercial matter" included therein.

I hereby declare under penalty of perjury that the foregoing is true and correct.
