The Kolbe Connection	KMMK	04/21/23	16:00		Tony May / Father Dennis Miller	Kolbe Konnection Episode 12 This is the 20th Anniversary of Relevant Radio Morning Air today. This week we had the 100th Anniversary of the birth of Mother Angelica. Her full formal professed name is Mother Mary Angelica of the Annunciation. A few stories of her adventurous life, calling out the female playing the part of Christ in the 1994 World Youth Day in Denver, which EWTN was covering. At that her order of Poor Clares went back to full habit. We thank Mother Angelica for the great EWTN Radio Network, which KMMK 88.7 FM is part of. Other topics diversity in worship: no kneelers in a Church (Newport News), having a single kneeler for those who want to receive kneeling down (safely).

The Kolbe Connection	KMMK	04/28/23	16:00		Tony May	<p>Kolbe Konnection Episode 13 An untruth if it can't be put in simple terms it can't be true GK Chesterton defends the Catholic things that both Catholics and non-Catholics may not understand. They may be simple things, but as Chesterton says, "The mind must be enlarged to see the simple things — or even to see the self-evident things."</p> <p>In Orthodoxy, GK Chesterton states that The Church explains simple things simply, but it is right where reality is complex, the explanation of the truth gets equally complex.</p> <p>He is speaking about Rules and Dogmas of the Church Mathematician and the heart. Damnation from the simplicity of sin... Attempting to obtain knowledge without blood, sweat &amp; tears.</p> <p>Now this started with perfect human creation, Adam and Eve simply blew it. They paid for their sin as prescribed by God. They even saw it in son Cain. The law prescribed an atonement for sin but not forgiveness... Then Christ entered the scene. Talk about complex! Look at all the prophecies he fulfilled.</p> <p>All Christians pretty much interpret similarly until we get to John 6:30. Jesus just got done walking on the water. What sign are you going to perform? Our ancestors ate...Jesus maybe is grinning at this point as he is about to unveil the biggest mystery of all time...</p> <p>FATHER MILLER Then we go complex to simple:</p>
