The Kolbe Connection	KMMK	09/15/23	16:00		<p>HOST/GUEST Tony May / Father Dennis Miller</p> <p>SUMMARY Kolbe Connection Episode #30. Mary has deferred labor pains, the curse of Eve, from Genesis chapter 3. From the last words of Jesus: "Woman this is your son." From John's gospel. Why, if Jesus had blood brothers, would Jesus have given his Mother to a non-blood brother, John? Feasts this week, Holy Name of Mary and our Lady of Sorrows.</p> <p>John born on the longest day, Jesus on the shortest day, John says, "HE MUST INCREASE, I MUST DECREASE." We have theological meanings to the dates, it MAY HAVE JUST REALLY HAPPENED THIS WAY. Theological and practical. No error flags given with Anthropological findings. Unlike other scientific fields. Why not? The scientific results in other fields would never be accepted without the error flags. Approaching with bias. World view comes into play with AI. They were saying how much world view bias gets into it. Start charging after people are hooked on it. Wordet. Was free. NY Times bought it. Now its a target, you get profiled.</p> <p>Current events: Artificial Intelligence (stir the pot). ChatGBT discussed. No discovery in that new AI aided research. We are going to bypass, "every cell in your body" bypass getting into people's minds.</p> <p>Apple 3D glasses. In 10 years noone will have a monitor, but snow goggles.</p> <p>Local Planned Parenthood closed doors for 3 weeks. Keep praying that the 3 week temporary closing is longer. Giving away, fetal heartbeat monitor (not fetal surgical monitor, as stated).</p>

This continues with the reading and commentary on the BEHOLD YOUR MOTHER, Chapter 3: After that the "The Writings of St. Maximilian Maria Kolbe VOLUME I LETTERS," Chapter 12 God's Work in the Immaculate." (The Immaculate Conception, his favorite name for Mary.) This latter document explains the ineffable mystery. One cannot put words on the ineffable, but Kolbe's explanations give us symbols and analogies to introduce us to the mystery, so we can enter in, ex., the Immaculate is like the Holy Spirit quasi incarnate (note "quasi" and not "is"). Also, "She is God's. She is perfectly of God, even as to become almost a part of the Most Holy Trinity, although she is a finite creature." Listen to this for the background, AND contact KMMK-FM.org and hit Contact, and we will send you a copy of BEHOLD YOUR MOTHER and a copy of the Chapter 12 of the Kolbe Writing.</p>
