

Roach Manufacturing Caraway expansion 1

JR/KASU

8/31/20-9/1/20

A manufacturer of conveyors and conveying equipment is expanding its facility in Caraway. The expansion of Roach Conveyers will add 30 new jobs over the next two years. The plans are add 25-thousand square feet to the current 22-thousand square foot facility. Caraway Mayor Bo James says the expansion is exciting for the small town, which is located just south of Black Oak.

q/...incredible. Thank you!"

The expansion is made possible through a 305-thousand dollar grant from the Arkansas Economic Development Commission through the Governor's Quick Action Closing Fund. The 45 new jobs in Caraway are part of the Roach Manufacturing Corporation, which has plants in Caraway and Trumann and employs almost 400 people.

Roach Manufacturing Caraway Expansion 2
