Synopsis: Topics Discussed on Today's Program:

Topic:

Today on Frances and Friends, Sister Swaggart and panel discuss a recent pro-Israel march in Washington D.C.; it was deemed the largest rally in history at our nation's capitol, with some 300-thousand people in attendance. In an act of prejudice, and Anti-Semitism, in Michigan a group of 300 people were denied their ride to the capitol to participate as their bus drivers held a deliberate walkout, leaving the Jewish-Americans stranded. The panel goes on to discuss end time events and what can be expected following the rapture.
