\* As specified in Children's Television Obligations Of Digital Television Broadcasters, FCC 04-221 (¶24), "digital broadcasters [are permitted] to air all of their additional [three (3) hours of] digital [children's] core programming, beyond the three (3) hour baseline on the main digital program stream, on one free digital video channel or distribute it across multiple free digital video channels, at their discretion, as long as the stream/s on which the core programming is aired has comparable carriage on multichannel video programming distributors ("MVPDs")." (January 1, 2019 Through March 30, 2019)

This is to certify that the list set forth below identifies all programs and series aired by Three Angels Broadcasting Network, Inc. during the above-referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by Three Angels Broadcasting Network, Inc. as the official responsible for oversight of compliance with the FCC children's programming commercial limits and I am familiar with the regulations.

See attached LMS form 2100 of the fourth quarter filing with the list of children's programs run during the calendar year.

I hereby declare under penalty of perjury that the foregoing is true and correct.

This is to certify that the list set forth below identifies all programs and series aired by Three Angels Broadcasting Network, Inc. during the above-referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by Three Angels Broadcasting Network, Inc. as the official responsible for oversight of compliance with the FCC children's programming commercial limits and I am familiar with the regulations.

See attached LMS form 2100 of the second quarter filing with the list of children's programs run during the calendar year.

I hereby declare under penalty of perjury that the foregoing is true and correct. Executed this 1st day of July, 2019.

**Re: Certificates of Compliance for the Children's Television Act of 1990**

Dear Affiliate:

As of January 1, 1992, the Federal Communications Commission's rules ("FCC Rules") implementing the Children's Television Act of 1990 ("Act") require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children's television programming. Accordingly, Turner Network Sales, Inc. provides the attached Turner Entertainment Networks' certificates of compliance for 2nd Quarter 2019. Please note that the Act's advertising limits are inapplicable to CNN, Headline News, TBS, Turner Classic Movies, TNT, TruTV, CNNI, and CNNE as these networks do not carry children's programming. If there are any changes in the programming policies of these networks, we will provide you with updated certifications reflecting such changes.

To comply with the FCC Rules, please place the attached certificates of compliance in your system's public file(s) no later than the tenth day of the current quarter following the quarter in which the programming aired.

**For your convenience, the certificates of compliance are also available online for your review. Please follow these steps in order to download the certificates:**

- 1. Go to the Turner Resources web site at [www.TurnerResources.com](http://www.TurnerResources.com). [Note – if you do not have a user ID and password, you will need to register online with the web site.]**
- 2. From the homepage go to "Technical" and scroll down to "Compliance Notices." You can download the Q2 – 2019 certificates by clicking on Kid Vid Certificates and following the prompts.**

If you have any questions, please contact me at (404) 575-9724 or e-mail [barbara.debuys@turner.com](mailto:barbara.debuys@turner.com). Thank you for your continued carriage of the Turner networks.

\* As specified in Children's Television Obligations Of Digital Television Broadcasters, FCC 04-221 (¶24), "digital broadcasters [are permitted] to air all of their additional [three (3) hours of] digital [children's] core programming, beyond the three (3) hour baseline on the main digital program stream, on one free digital video channel or distribute it across multiple free digital video channels, at their discretion, as long as the stream/s on which the core programming is aired has comparable carriage on multichannel video programming distributors ("MVPDs")." **Re: Certificates of Compliance for the Children's Television Act of 1990**

Dear Affiliate:

As of January 1, 1992, the Federal Communications Commission's rules ("FCC Rules") implementing the Children's Television Act of 1990 ("Act") require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children's television programming. Accordingly, Turner Network Sales, Inc. provides the attached Turner Entertainment Networks' certificates of compliance for 3rd Quarter 2019. Please note that the Act's advertising limits are inapplicable to CNN, Headline News, TBS, Turner Classic Movies, TNT, TruTV, CNNI, and CNNE as these networks do not carry children's programming. If there are any changes in the programming policies of these networks, we will provide you with updated certifications reflecting such changes.

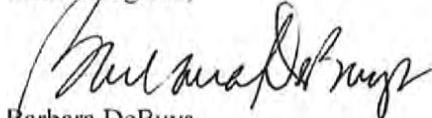

To comply with the FCC Rules, please place the attached certificates of compliance in your system's public file(s) no later than the tenth day of the current quarter following the quarter in which the programming aired.

**For your convenience, the certificates of compliance are also available online for your review. Please follow these steps in order to download the certificates:**

- 1. Go to the Turner Resources web site at [www.TurnerResources.com](http://www.TurnerResources.com). [Note – if you do not have a user ID and password, you will need to register online with the web site.]**
- 2. From the homepage go to "Technical" and scroll down to "Compliance Notices." You can download the Q3 – 2019 certificates by clicking on Kid Vid Certificates and following the prompts.**

If you have any questions, please contact me at (404) 575-9724 or e-mail [barbara.debuys@turner.com](mailto:barbara.debuys@turner.com). Thank you for your continued carriage of the Turner networks.

Kindest regards,

Barbara DeBuys

**CARTOON NETWORK  
CERTIFICATE OF COMPLIANCE WITH COMMERCIAL LIMITS  
FOR CHILDREN'S PROGRAMMING**

---

I, Toni Millner, in my capacity as Assistant General Counsel and Vice President – Kid Vid Compliance for Turner Broadcasting System, Inc. (“Turner”), hereby certify to the best of my information, knowledge, and belief, that the following information is accurate for the period from July 1, 2019, to September 30, 2019:

- 1) I am familiar with the statutory limits of the Children’s Television Act of 1990 (the “Act”) and the FCC regulations implementing those limits (no more than 12 minutes per hour of commercial matter may be telecast during children’s programming\* on weekdays, and no more than 10 ½ minutes per hour on weekends).
- 2) Turner treated all of the programs telecast on Cartoon Network, a leading ad-supported cable television network, as “children’s programming” for the purposes of the commercial limits set forth in the Act except for its telecast in the “Adult Swim” block of programming created for an adult audience that airs late night seven days a week.\*\* On a weekly basis, therefore, approximately 98 hours of television programming were treated as “children’s programming” for the purposes of the commercial limits set forth in the Act.
- 3) Turner has, as a standard practice, formatted and telecast all of the programs on Cartoon Network during the period noted above within the commercial limits set forth in the Act, to the extent applicable to the programming.
- 4) To the best of my information, knowledge and belief, there was only one instance in which the commercial limits were exceeded during this period. A detailed account of the commercial matter “overtime” occurring on Monday, September 2, 2019, is included in Exhibit 1.
- 5) Turner regrets this incident, which we have proactively investigated and reported. Turner continues to work to train its personnel and identify ways to improve our KidVid compliance procedures. Moreover, we urge that this incident be viewed in the context of the large amount of children’s programming (approximately 98 hours per week) that Cartoon Network has telecast during this period in compliance with the KidVid rules and regulations.

Certified by me this 3<sup>rd</sup> day of October, 2019.

Toni Millner  
Assistant General Counsel and  
Vice President - Kid Vid Compliance  
Turner Broadcasting System, Inc.

---

\* “Children’s programming” for the purposes of the commercial limit means “programs originally produced and broadcast primarily for an audience of children 12 years and under.”

\*\*During this period, the “Adult Swim” block of programming aired 7 nights a week from 8 p.m. to 6 a.m. on 7/1/19 – 9/28/19 and from 9 p.m. to 6 a.m. on 9/30/19. The Adult Swim block contains a warning to notify and remind viewers that the content is intended for an adult audience. It is not considered “children’s programming” subject to the commercial limits set forth in the Act.

### Exhibit I

Cartoon Network aired a programming marathon featuring every single episode of *Steven Universe* over the Labor Day weekend. On Monday, September 2, 2019, an employee working within Turner's Broadcast Operations Center ("BOC") discovered that one of the *Steven Universe* interstitials unexpectedly aired two times, which adversely affected the formatting and timing of the remaining programming and commercial elements for the day. This resulted in two minutes of commercial matter spilling into the hour between 9-10 a.m. and a technical commercial overage based on the clock-hour rules.

Turner has a process in which a dedicated "KidVid" compliance team conducts a detailed daily review of the telecast logs and playlists before they are finalized to verify that the commercial time limits will adhere to the statutory limits based upon the clock hour rule. In addition, BOC personnel perform time checks during their shifts and manage any necessary adjustments to the playlists. The BOC personnel discovered that a duplicate *Steven Universe* interstitial was mistakenly added between 7-8 a.m. disrupting the timing of the programming and commercials for the remainder of the day. The BOC personnel who discovered the timing discrepancies worked diligently to make adjustments and correct the remainder of the day's schedule but the discovery was made only after Cartoon Network had already experienced a commercial overage between the 9 a.m. – 10 a.m. hour exceeding the hour's commercial time limits by two minutes.

The investigation has not been able to determine the cause of the duplicate interstitial and whether it was due to an unintentional human or technical error. The BOC personnel on duty appreciated the importance of the KidVid rules and procedures and worked quickly to fix the schedule and avoid any additional commercial overages after the problem was discovered.

**Re: Certificates of Compliance for the Children's Television Act of 1990**

Dear Affiliate:

As of January 1, 1992, the Federal Communications Commission's rules ("FCC Rules") implementing the Children's Television Act of 1990 ("Act") require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children's television programming. Accordingly, Turner Network Sales, Inc. provides the attached Turner Entertainment Networks' certificates of compliance for 4th Quarter 2019. Please note that the Act's advertising limits are inapplicable to CNN, Headline News, Turner Classic Movies, TruTV, CNNI, and CNNE as these networks do not carry children's programming. If there are any changes in the programming policies of these networks, we will provide you with updated certifications reflecting such changes.

To comply with the FCC Rules, please place the attached certificates of compliance in your system's public file(s) no later than the tenth day of the current quarter following the quarter in which the programming aired.

**For your convenience, the certificates of compliance are also available online for your review. Please follow these steps in order to download the certificates:**

- 1. Go to the Turner Resources web site at [www.TurnerResources.com](http://www.TurnerResources.com). [Note – if you do not have a user ID and password, you will need to register online with the web site.]**
- 2. From the homepage go to "Technical" and scroll down to "Compliance Notices." You can download the Q4 – 2019 certificates by clicking on Kid Vid Certificates and following the prompts.**

If you have any questions, please contact me at (404) 575-9724 or e-mail [barbara.debuys@turner.com](mailto:barbara.debuys@turner.com). Thank you for your continued carriage of the Turner networks.
