The station is being operated, **totally** as a

Our 60-watt Stereo signal, transmitting from high atop Academy Hall, serves our many listeners in the Greater Dudley-Webster Area, Northeastern Connecticut, and even portions of Northwestern Rhode Island. Special Programming for WXRБ-FM:

Saturdays from 11:00 AM through 1:00 PM (Eastern): For the past 8 years, WXRБ-FM presents “**Barry Wilson’s Time Capsule**” live every Saturday morning. In addition, Barry’s shows are recorded and encored, several weeks after the original broadcast from 7:00 PM through 9:00 PM (EDT), every Saturday night. Immediately following “**The Time Capsule**”, we run 4 hours of “**Moldy Oldies**”, with vintage rock and roll songs from the 50’s and 60’s, not found anywhere else in Southern Worcester County. It is a very popular show, both locally and on-line around the world.

WXRБ -FM, is one of the few “full-power” non-commercial educational all-oldies stations left in North America. We will be celebrating our 18th Anniversary, this year. We take a lot of pride in what we do in serving the Greater Dudley-Webster area, 24 hours a day, including providing the Emergency Alert System service. And we look forward to continuing to provide great oldies music and spoken word programming, every day.
