Describe the specific content of National Importance mentioned in the spot (if applicable)

Mike Levin has a problem. He just can't stop spending. Recklessly wasting trillions under the influence of party bosses. Even after being warned that it would send prices sky high. Now Levin is looking for his next fix. Voting to raise taxes \$17 billion higher on people making under \$200K. Taking from us so he can keep spending high. Levin can't quit alone. We must vote him out.
